Puerto Rico

Magic word that reveals the Caribbean in all its splendor. Key to the gates of Latin-America, world of romance, glamour, mystery and modern civilization.

With the whole world to choose from, few people realize the advantages of this Isle of Enchantment for those who seek the best winter climate that can be found on this planet of ours, plus plenty to enjoy in the way of sports and diversion.

Everything points to the greatest holiday season in the most gorgeous spot in the West Indies. From now to February Puerto Rico will be smiling land of pleasure and gaiety with Ponce de Leon’s great Carnival topping the list of attractions.

Puerto Rico is the culmination of a purpose of nature. The best climate in the world. San Juan is 7 degrees warmer in winter than Miami and 4 degrees warmer than Honolulu. Think of Paradise and feel the joy of sojourning in this Island.

Three and a half days of relaxation, exquisite food, and famous Bull Lines service on board the spacious and well appointed “Barbara” will take you to San Juan, amazing city of Sunshine and true tropical splendor.

THE TRUE PERFECTION OF THE OLD CRAFTSMAN

- IT has been said that the way to really know a man is to read what he writes.
- IT is equally true that the way to determine the true character of an organization is to study the appearance, as well as the content, of the printed matter which it distributes.

"Small Courtesies Sweeten Life . . ."

AND SMALL courtesies like remembering to send your hostess a floral "bread-and-butter" offering; wiring a "Bon Voyage" floral basket; not forgetting the gracious gesture of a timely Corsage, and that never-to-be-neglected remembrance to the sick room. Put flowers back into your daily life. GUDE has cut flowers by the dozens. And an infinite variety of budding plants and flowering plants and pure foliage plants.
