OFFICIAL PLATES
of the National Society, Daughters of the American Revolution

These handsome plates, made especially for the Society, are of the famous Queen's Ware by Wedgwood, the border and design in blue, 10" in diameter. The back stamp shows the Emblem, facsimile signature of George Washington, the name of the view and the wording "Sponsored by the National Society, Daughters of the American Revolution, Memorial Continental Hall, Washington, D.C." Set of twelve different subjects is priced at $52.00 or $4.75 each plate. Plus insured delivery: dozen $2.50; each 65¢.

SUBJECTS AVAILABLE

Bell Tower at Valley Forge  Portrait of George Washington
Birth of the American Flag  Mount Vernon
Washington Monument  Constitution Hall
Signing of the Declaration of Independence  Portrait of Martha Washington
Surrender of Cornwallis at Yorktown  Memorial Continental Hall
Old Ironsides in Chase  Independence Hall

J.E.Caldwell Co.
Chestnut and Juniper Streets, Philadelphia, Pa. 19107
Official Jewelers and Stationers to the NSDAR since 1891
COVER STORY

Although Christmas is traditionally a time of joy, hope and peace, Americans everywhere cannot escape the grim fact that our boys are still fighting a thankless war in the jungles of Viet Nam. Our prayers for their safe return must be renewed during this Holiday Season.

The President General, on behalf of the National Society, has expressed to President Nixon the continued support of the Daughters of the American Revolution as he seeks to find a just and lasting peace for the world. If you are a member of the “Silent Majority”, it is suggested that you personally let the President know of your feelings.

The cover photo for December reminds us of the many members of the Armed Forces who will be spending Christmas away from their families. A young G.I. finds a Christmas tree in a package from home during mail call at Bear Cat, approximately 25 km northeast of Saigon. The photograph is through the courtesy of the Public Information division of the Department of the Army.

He was born that we may love.

Merry Christmas
DEAR MEMBERS:

“I have tried hard to think of a Christmas gift I could send to all of you. This would be an impossibility in itself.

Instead, I send a wish to you. I wish for you a special Christmas tree this year. I hope for you that it will be a tall and straight tree with boughs outstretched to shelter you this coming year. Trim it with love. Surround it with faith.

The Christmas tree that I want for each of you has a bright and shining star at the very top. It will shine through the darkness around you and bring hope to the world as it did so many years ago in Bethlehem. May its radiance in the days ahead flood your heart.

Under this tree there shall be presents for each of you. One is a package filled with memories. These are not ordinary memories. These are of special people, of special times and of other Christmas seasons from the past. And while memories may call for you to weep, it is a time for holding the head a little higher and for making yourself go on when you'd rather not. In this way you acquire the ability to give thanks for faith in the future and for the courage you didn't think you had.

There is yet another package under this tree for you. It is filled with peace. Share that one with the world. For to settle with less is to make mockery of the words, "Peace on earth, good will toward men." And indeed, peace is the foundation upon which the tree I wish for you shall stand.

Included in my wish for you is that this tree will be a part of all the good times that will be yours this season, helping to make this Christmas the merriest of all.

And I wish for each of you a very happy Christmas Day.”

Nancy Esber

Affectionately,

Betty Newkirk Seimes
Mrs. Erwin Frees Seimes
President General, NSDAR
Historic Burton Parish Church at Colonial Williamsburg illuminated for the Christmas Season.
We are living in the space age. The Apollos and other space craft orbit the earth, the moon, and are pioneering the paths to far-away planets. We can’t all be astronauts, but we can take a magic journey in an imaginary Time Rocket into the past. Today our goal is Christmas in the Colonies. It’s especially meaningful for members of the DAR to go back to a Christmas in the 1700’s—it’s as though we were having family reunions in the homes of our ancestors. But before we start on our trip we should have a name for our Time Rocket, shouldn’t we? There’s an archaic word—Eterne—which means eternal, and this should be an appropriate name for it, because the more we explore the past the more clear it becomes that past, present, and future all merge into an eternal now. So—let’s climb into our Rocket Eterne. Are you all aboard? Have you fastened your seat belts? Good—now we press the button labeled “history” and away we go!

Because a Colonial Christmas was many things to many people, and is part of the forever Christmas, we must begin by going back further—much further.

First to about the year 700 B.C. where we listen reverently to the words of the prophet Isaiah: (Is. 9:2) “The people that walked in darkness have seen a great light; they that dwell in the land of the shadow of death, upon them hath the light shined. (6) For unto us a child is born, unto us a son is given; and the government shall be upon his shoulder: and his name shall be called Wonderful, Counselor, The Mighty God, The Everlasting Father, The Prince of Peace.”

Now—we see that the prophecy is fulfilled. We are experiencing that first Christmas when—Wise men followed a star,
bearing gifts from lands afar.
The shepherds heard an angel choic that night
proclaiming universal peace and light.
They knelt in awe before an infant king
not destined for a crown all jewelled and glittering.

That loved Babe of Bethlehem grew and performed His earthly duties as an obedient son, carpenter, shepherd, teacher, physician, and Saviour. But several centuries passed before the wonderful night of His birth was commemorated. Going to the year 534 A.D. we see that the Epiphany and Christmas have at last become judicial holidays, and the date of December 25 is established as Christmas day. Strangely—in Britain long before this, December 25 was a festival day, celebrating the winter solstice. In other countries, too, there were seasonal pagan, religious, and national practices—all revolving around the solstice season. The transition from paganism to Christianity is gradual but becomes apparent after the fall of Rome (A.D. 476) when the church seems to be the one organization, with the strength and wisdom to withstand the disorganized centuries of the dark ages. The central idea of the winter solstice—the return of light—thus blends with the birthday of Christ Jesus, the “light of the world.” The very first important Christmas feast of record occurs in 878 during the reign of King Alfred. In accordance with his decree Yuletide is observed for a period of twelve days, and foods are served on gold and silver platters.

Even as Christianity spreads through the pagan lands certain traditional practices and customs remain. For instance—the pagan accent on light—the bonfires of
sun worship, the lighted yule log burning out old wrongs and ancient feuds, the candles. Even the idea of the decorations survives from the pre-Christian era—the Romans ornamenting their temples and homes with green boughs and flowers for the Saturnalia—their season for merrymaking—and the Juvenilla, the special festival for gift-giving; the ancient Druids ceremoniously gathering mistletoe, placing sprigs of the silvery berries over their doorways to keep nightmares or evil spirits out; enemies meeting under the mistletoe, forgetting their enmities, laying down their arms and embracing (this perhaps is the origin of our whimsical customs of kissing under the mistletoe.) Holly is said to be hateful to witches and therefore protection against them, the wreaths symbolizing eternity, also the crown of thorns worn by Jesus and the red berries symbolic of his blood. The first Christmas tree, it is thought, was of German origin dating from Boniface, the English missionary to Germany in the eighth century, replacing the sacrifices to Odin's sacred oak with a fir tree ordained in tribute to the Christ-child. In the late 15th century Martin Luther—bringing a small pine tree into his home and decorating it with twinkling candles for the delight of his children, and starting a custom which the early German immigrants carry to the Colonies in America. These bits of background seem necessary to set the stage for the Colonial Christmas, as well as our own observances.

Now—we find ourselves in the midst of a Colonial Christmas festival in New Amsterdam, later New York. There is feasting and much merriment, and the children fill their wooden shoes with hay for the white horse of "Saint Nikolass" when he jumps from roof to roof, leaving toys and sweets. In this new country all the precious traditions of their Fatherland are held dear. Christmas is a gay time, a sacred time.

But what is this we see in New England? Christmas day is filled with gloom. It is a time for bitterness—the bitterness and severity of Puritans living under an ordinance enacted in Massachusetts in 1659 whereby "anybody who is found observing, by abstinence from labor, feasting, or any other way, any such day as Christ day, shall pay for every such offence five shillings." On the second Christmas in Plymouth Gov. Bradford had forbidden "playing games of pitch bar or stool ball in the street or any observance of Christmas as unseemly to ye spiritual welfare of ye community." The controversial and internationally famous Boston preacher, politician, and scholar—Cotton Mather—wrote in his diary in 1711—"I have a number of people of both sexes, belonging many of them to my flock, having had on Christmas night this last week a frolic a reveling feast and a Ball. This discovers their corruption . . . and provoke(s) the Holy One to give them to eternal hardness of heart . . . I must acquit myself as prudently as ever I can in the discharge of my duty to them on this occasion and endeavor to bring them into repentance and prevent such follies in the future." This hostility and intolerance the Puritans had carried with them from England, where under the leadership of the invincible Oliver Cromwell, the Lord Protector of the Commonwealth, they had violently revolted against the revelry, the dancing, singing, feasting, and the sometimes wild license of the Christmas celebrations in Merrie Olde England which were directed by the uproarious antics of the Lord of Misrule and his jester. The English lawyer, William Prynne, expressed the universal belief of Puritan theologians when he wrote that Christmas should be "rather a day of mourning than of rejoicing, and not a time to be spent in amorous, mixed voluptuous, unchristian pagan dancing—to God's, to Christ's dishonor, religious scandal, chastities shipwreck and sine's advantage." But even in this stern New England atmosphere, in the privacy of some homes we see the father gather his family about him and quietly read the old, old story from the book of Luke: (Luke 2:7, 13, 14) "And she brought forth her first-born son, and wrapped him in swaddling clothes, and laid him in a manger, because there was no room for them in the inn . . . And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest and on earth, peace, good will toward men."

Next—from our vantage point in Time—let's visit "New Sweden" along the Delaware. We see that floors of the dwellings are covered with straw or cut spruce branches, outside the doors are large straw crosses to drive away evil spirits. A morsel from each dish of the Christmas table is given to the cattle to keep them from witchcraft, and it is thought that the cattle will kneel in their stalls at midnight on Christmas Eve. Sheaves of wheat are placed on poles for the birds, and although superstition fills the minds of the settlers, happiness prevails. The housewives have been working for days—making special breads and preparing the candles. The celebration has begun on December 13, the feast day of St. Lucia, the gift bringer. The eldest daughter carries coffee to each member of the family, singing a special carol. She depicts this loved saint—dressed in white, with a red sash, wearing a crown of lighted candles—for St. Lucia signified "light."

Let's mingle now with the gay Cavaliers in Virginia Colony, who have enlivened their plantations with all the joyous customs from the Mother country. Boys are home from college, families are reunited, the servants' quarters are in holiday spirit—all for Christmas, the happiest season of the year. The family servants waken the household calling gently "Christmas gift, Christmas gift"—knowing that soon the mistress of the house will distribute their gifts to them. Early morning shouts of the children are heard—"Christams gift, Christmas gift"—as they take their bulging stockings from above the fireplace. There is feasting on fresh sausage, ham, turkey, the flaming boar's head, pies, cakes, puddings, sylabubs. At night they gather around the wassail bowl; handsomely dressed men and radiant ladies dance the Virginia reel; there is a fireworks display, and everywhere there is joy and laughter and carol singing. Nor do these
Virginia colonists forget the religious significance of the holiday, for special services are held in the churches which have been beautified and made fragrant with boughs and garlands of evergreens.

Going on to Pennsylvania and North Carolina we find Moravians and Bohemians clinging to their traditional Christmas Putz—or nativity scene interwoven with scenes from their national histories. They happily go from home to home to view the Putz and to have refreshments. These beautiful displays are said to be "a form of poetry, for though it is not written with ink on paper, nor painted with pigments on canvas, it is worked out with carved wood and moss and tinsel into a sacred, stirring picture—one of the things that make up the real Christmas, for it keeps us linked with the one radiant truth, that through the nativity of Christ there came to us all the light and life that the world knows."

Yes—the Colonial Christmas was many things to many people. Each separate segment of the Colonies held sentimentally to its own traditions and transplanted them to the new world. Because these Colonies became the great melting pot which is our beloved United States of America our Christmas today is a blending of the customs and cultures of many nationalities through many centuries. Christmas is still many things to many people—a very individual observance, yet in essence a universal and timeless one. Sometimes when we see greeting cards and decorations on sale in July we’re tempted to think that the real meaning of Christmas has been buried in commercialism. Sometimes it seems as though the sacred holiday has been turned into a hurried and harried scramble of materialism, frenzied gift exchanges—trying not to be outdone by anyone else, yet also fearful that we might invest more in Aunt Peggy’s present than she spent for ours! But has Christmas really degenerated into such an orgy of spending and exhaustion? I don’t think so, and it doesn’t have to be that way. It can be, and I believe it still is and always will be to most of us a time for reverent rejoicing, true giving and sharing, and an expectant following of the star that led the waiting ones to the manger almost 2,000 years ago.

Well—we’re traveling westward in our Rocket Eterne now, and we look down on scenes unknown to our Revolutionary ancestors, but all part of our American heritage. In 1775 when Boonsborough, Kentucky, was established by Daniel Boone even Kentucky was known as a wilderness, “the dark and bloody ground” of Indian savagery. The lands beyond the Colonial horizon perhaps seemed even farther away and more mysterious to the Colonists than outer space seems to most of us. But the land—and its people—were definitely there and would add their magic threads toward the weaving of the tapestry of our land.

We look down now and see that it is dawn in old Oraibi in Hopiland, high on a mesa. The December sun rises—an opal shooting streaks of fire into the pewter grey sky. The Indian Great-grandfather and the Small One sit on the rooftop of their communal house watch-
Gold and the Balance of Payments

By The Honorable Ezra Taft Benson

The following is a Chapter from the recently published book entitled "An Enemy Hath Done This" and is reprinted by special permission of the author. Mr. Benson is a former Secretary of the Department of Agriculture.

Manifestly nothing is more vital to our supremacy as a Nation and to the beneficent purpose of our Government than a sound and stable currency. Its exposure to degradation should at once arouse to activity the most enlightened statesmanship, and the danger of depreciation in the purchasing power of the wages paid to toil should furnish the strongest incentive to prompt and conservative precaution." (President Grover Cleveland, Inaugural Address, March 4, 1893).

An entire volume could be written on the present dilemma we now find surrounding the Nation's unfavorable international balance of payments and the dwindling gold supply. The highlights of these problems, however, and the sequence of events that led up to them are here summarized:

1. The root of all evil is money, some say. But the root of our money evil is Government. The very beginning of our troubles can be traced to the day when the Federal Government overstepped its proper defensive function and began to manipulate the monetary system to accomplish political objectives. The creation of the Federal Reserve Board made it possible for the first time in America for men arbitrarily to change the value of our money. Previously, that value had been determined solely by the natural interplay of (a) the amount of precious metals held in reserve, (b) the value men freely placed on those precious metals, and (c) the amount of material goods which were available for sale or exchange.

2. One of the first arbitrary and politically motivated interferences with the natural value of money was to peg the price of gold at $35.00 per ounce. At first, this made little difference because it was quite possible for men to mine gold profitably at this price. But as the Government moved into a program of deficit spending, the motivation for fixing the price of gold became obvious. The artificial increase of the money supply caused the value of each dollar to decrease in relationship to the total supply of material goods which that dollar could purchase. This relative decrease in purchasing power, of course, is known as inflation. But, if gold were not held by law at a fixed price, then its value would have risen in direct proportion to the artificial increase in paper money, and as long as gold was guaranteed backing behind each dollar, the Government wouldn't have been able to benefit one iota from deficit spending. The whole process would have been a bookkeeping operation similar to that of a corporation with assets of $100,000 suddenly doubling its number of stock-shares. Since the assets would simply increase, the value of each share would be cut in half. But, if the corporation somehow could force by law all persons to purchase each new share at the same price as the old, then it could realize a tremendous profit through sale of the new issue. This is exactly the kind of fraudulent practice that was and is perpetrated on the American people by forcing the price of gold to remain at $35.00 per ounce.

3. The natural result of this con game was that the mining of gold gradually came to a halt. Actually, the real cost of mining, due to technological advances, has decreased, but the cost in terms of inflation-ridden dollars has increased approximately twice the artificially set level.

4. With practically no new gold moving into the Treasury to keep pace with the expanding paper money supply, it was essential for the Government manipulators to have the Nation go off the gold standard; that is, to remove gold as a guaranteed backing. The dollar was "cut loose" from gold by 75 percent. In other words, for every $1.00 of paper money, only 25 cents worth of gold is now legally required to back it. It is important to note, however, that Americans are not permitted to cash in their dollars for even that token amount. And if gold cannot be obtained in exchange for paper bills, then it is not really "backed" by gold at all. To say that it is, is merely to deceive oneself. The 25 percent so-called backing of gold is merely a bookkeeping ledger account designed...
to sustain the people's psychological confidence in and acceptance of our money system.

Since there was no way for the Federal Government to force foreign investors to accept American dollars, or international credits based upon American dollars, and since they surely would not do so if there was no gold to back it, the new law applied only to American citizens. That's right, Americans were forced by their Government to abandon any claim to gold behind their paper dollars but foreign holders of these dollars are still entitled to "cash in" for gold if they wish—and at the full price, too.

5. Sensing that American paper money was now literally "worthless," many people began to put their savings into gold itself. If allowed to continue, this might have led to a parallel monetary system dealing in the private exchange of gold or credits against gold instead of Government paper money. So the next step for the Government manipulators was to make it illegal for Americans even to own gold. People of other nations may demand and receive gold bullion from Fort Knox for whatever American money they hold, but our own citizens are not permitted even to own an ounce of gold, except in the form of jewelry, art objects, or a few rare collectors' coins.

6. During and since World War II, our leaders in Washington have seen fit to give away to other nations over $130 billion dollars. According to Information Please World Almanac, this is approximately $25 billion more than the total assessed valuation of all land and personal property in the 50 largest cities of the United States. Much of this money has found its way back to our Country, not in the form of purchases for American goods, but in the form of international credits which can at any time be converted into demands for gold.

7. Through a continued policy of giving away money to other countries, through gigantic military expenditures in other lands to supposedly protect them against aggression, through building up foreign industries to where they can compete effectively with our own industries (which not only pay higher labor costs, but also pay the taxes used to build up their foreign competitors), our leaders have finally brought us to the position where we no longer have enough gold left to pay off our solemn promise to foreign holders of United States dollars. Out of approximately $13 billion total gold stock, about $9 billion is required by law to back up our domestic money supply, and about $4 billion is left to meet claims of foreigners. But—and mark this well—the claims held by foreigners against this supply are already in excess of $29 billion and rising rapidly! Even counting all the gold—including that which supposedly is held as reserve against our domestic money supply—there is more than twice as much claim by foreigners than ability to pay. Internationally, we are bankrupt!

8. The pending economic crisis that now faces America is painfully obvious. If even a fraction of potential foreign claims against our gold supply were presented to the Treasury, we would have to renege on our promise. We would be forced to repudiate our own currency on the world market. Foreign investors who would be left holding the bag with American dollars would dump them at tremendous discounts in return for more stable currencies or for gold itself. The American dollar both abroad and at home, would suffer the loss of public confidence. If the Government can renege on its international monetary promises, what is to prevent it from doing the same on its domestic promises? How really secure would be Government guarantees behind FHA (Federal Housing Administration) loans, Savings and Loan Insurance, Government bonds, or even Social Security?

Even though American citizens would still be forced by law to honor the same pieces of paper as though they were real money, instinctively they would rush and convert their paper currency into tangible material goods which could be used as barter. As in Germany and other nations that have previously traveled this road, the rush to get rid of dollars and acquire tangibles would rapidly accelerate the visible effects of inflation to where it might cost $100 or more for a single loaf of bread. Hoarded silver coins would begin to reappear as a separate monetary system which, since they have intrinsic value would remain firm, while printed paper money finally would become worth exactly its proper value—the paper it's printed on.

One can only imagine what such conditions would do to the stock market and to industry. Uncertainty over the future would cause the consumer to halt all spending except for the barest necessities. Market for such items as TV sets, automobiles, furniture, new homes and entertainment would dry up almost overnight. With no one buying, firms would have to close down and lay off their employees. Unemployment would further aggravate the buying freeze, and the Nation would plunge into a depression that would make the 1930s look like prosperity. At least the dollar was sound in those days. In fact, since it was a firm currency, its value actually went up as related to the amount of goods which declined through reduced production. Next time around, however, the problems of unemployment and low production will be compounded by a monetary system that will be utterly worthless. All the Government controls and so-called guarantees in the world will not be able to prevent it, because every one of them is based on the assumption that the people will continue to honor printing press money. But once the Government, itself, openly refuses to honor it—as it must if foreign demands for gold continue—then it is likely that the American people will soon follow suit.

This, in a nutshell, is the so-called "Gold Problem." It's no wonder that our leaders who have gotten us into this mess don't talk about it very much, except to show the proper amount of public concern, and to assure us from time to time that they are "watching the situation closely."

The question that is uppermost in the minds of everyone familiar with the foregoing facts is "How can we prevent this from happening?" The honest answer is, "We can't!" Like the drunkard at the end of a weekend spree, there is no way in the world to avoid the inevitable "morning after." We have been feeling the exhilarating effects of inflation and have become numbed to the gradual dissipation of our gold reserves. In our economic stupor, when we manage to think ahead about the coming hangover, we have merely taken another swing from the bottle to reinforce the artificial sensation of pros-
perity. But each new drink at the cup of inflation, and each new drain on the gold supply of our body strength does not prevent the dreaded hangover; it merely postpones it a little longer and will make it that much worse when it finally comes.

What should we do? We should get a hold on ourselves, come to our senses, stop adding to our intoxication and face the music!

I realize this is an extremely unpopular answer. There are those—particularly among the Government manipulators who endorse the policies that have brought us to our present unhappy state—who would have us believe that, somehow, if we just do a little more manipulating of our money, possibly even set up a world monetary system through the United Nations, then we can avoid having to pay the fiddler; or, to be more precise, to pay the bartender. But such proposals are merely more of the same con game against the American people, and would not only fail to solve our economic problems, but could lead us into surrendering our economic independence as a nation to the dictates of a majority bloc in the United Nations which, conceivably, would be less interested in our recovery than in exploiting our misery.

No, there is no “happy” solution to our problems, but, if left to our own resources, the productive genius that is the product of the free enterprise system, coupled with the initiative and drive of the American people, can successfully lead us through the trying readjustment period that lies ahead, and then on to higher levels of real prosperity and security than we have ever known.

While politicians will continue to insist that our economy is not in the slightest danger, lest they be accused of being “negative,” or “spreaders of doom,” there is a sound and realistic course of action that we can follow to prepare for the coming readjustment period and to lessen the shock. As a nation, we must stop giving away money to foreign nations as though we had it. We should demand repayment of our loans to other countries—especially those, like France, which are making the heaviest demands upon our gold supply. We should cease giving them our gold until they pay their debts to us. We must stop the Federal Government from deficit spending, and begin immediately to pay off our national debt in a systematic fashion. This, of course, means increasing taxes or decreasing the size of Government. It is doubtful that the American people can absorb more taxes without further injuring the productive base of our economy, but there is no doubt that government can be reduced without any such risk.

The price of gold must be allowed to seek its own level without artificial government restraint. Americans should be given back their freedom to own gold if they wish. Just as soon as the mining industry is able to respond to the higher price of gold and begins to extract it from the earth once again, it should be exchanged for 100 percent gold-redeemable paper dollars from the Treasury payable upon demand to anyone who holds these dollars. Make it known that the Federal Government eventually will offer the same conversion privilege to holders of the present Federal Reserve Notes just as soon as the acquisition of gold bullion and the repayment of the national debt makes it possible.

So much for the Nation. As individuals, there is also much that can be done to lessen the shock. The first and most obvious step is to get out of debt if it is at all humanly possible. We have lived in an atmosphere of inflation for so long that many people now accept the benefits of permanent debt as a firm law of economics. But if inflation runs its full course and drops over into depression with little if any real income for millions of workers, the Country may well have to start over with a brand new currency which will be in extremely short supply to pay off those existing debts. Even in times of economic stability it is sound practice to live within one’s income and avoid unnecessary debt. Such practice is doubly sound in times like these.

Each of us should make every effort to become economically independent, at least within the family unit. Avoid looking to Government for handouts or future security. Again, this is not only good practice in normal times, but especially important today. A government which is unable to pay its own bills can hardly be depended upon to pay yours.

Finally, when the going gets rough, we mustn’t rush to Washington and ask Big Brother to take care of us through price controls, rent controls, guaranteed jobs and wages. Any government powerful enough to give the people all that they want is also powerful enough to take from the people all that they have. And it is even possible that some of the Government manipulators who have brought us into this economic crisis are hoping that, in panic, we, the American people, literally will plead with them to take our liberties in exchange for the fake promise of “security.” As Alexander Hamilton warned almost 200 years ago, “Nothing is more common than for a free people, in times of heat and violence, to gratify momentary passions by letting into the government principles and precedents which afterward prove fatal to themselves.”

Let us heed this warning. Let us prepare ourselves for the trying time ahead, and resolve that, with the grace of God and through our own self-reliance, we shall rebuild a monetary system and a healthy economy which, once again, will become the model for all the world.

Reprinted from the Congressional Record, July 31, 1969

The National Society Regrets to Report the Death of:

Mrs. Bonnie Farwell, a member of the Fort Harrison Chapter, Indiana. She served as State Regent of Indiana 1934-37 and as Vice President General 1937-40.
PRESIDENT GENERAL AT APOLLO 12 LAUNCHING: Mrs. Erwin Frees Seimes, President General, Mrs. Richard Denny Shelby, Registrar General, and Mrs. Donald Spicer, Historian General, have accepted the invitation from Dr. Thomas O. Paine, Administrator, National Aeronautics and Space Administration, to the launching of Apollo 12 on Friday, November 14, 1969, at the John F. Kennedy Space Center, Florida. This is the United States' second manned lunar landing mission.

THE STARS AND STRIPES FOR THE BLIND: A letter from Mrs. Paul G. Mayer, National Chairman, Flag of the United States of America Committee, reads in part: "I have been most pleased by the response from States for the Flag for the Blind. Many Chapters are making them and presenting them to either Schools for the Blind or Homes for the Blind. Using blue velvet for the Union with the stars appliqued on it, and red felt and white ribbon for the stripes, they are able to 'see' their Nation's Flag, many for the first time."

LONG PEACE TALKS IN PARIS WORRIED GEORGE WASHINGTON: Lengthy negotiations in Paris at the end of the American Revolution were a problem then even as they are now. On August 15, 1782, Washington wrote: "... 'tis plain, they [the British] are only gaining time to become more formidable at Sea; to form new Alliances, if possible; or to disunite us. Whatever may be their object, we, if wise, should push our preparations vigorously; for nothing will hasten peace more than to be in a condition for War."

DAR MEMBER IN THE NEWS: Mrs. Walter V. Magee, President of the General Federation of Womens Clubs and a member of the Wheeling Chapter, West Virginia DAR Society, was one of the judges of the Miss America contest this year.

DELAWARE IS NOTED FOR THIS, TOO: A recent news item titled "Delaware Whipping Post Consigned to Jail Cellar" points up the fact that whipping is still a penalty for 26 offenses in Delaware criminal law. But Governor Russell W. Peterson, the chief executive of the first State to ratify the Federal Constitution, has ordered the weather-beaten whipping post uprooted and removed from the prison yard in Dover and put in the basement. The last whipping was in 1952 when an 18-year-old car thief got 20 lashes on his bare back.

IN THE AMERICANA COLLECTION: Among the signatures of famous people in the NSDAR Americana Collection is that of Mrs. Belva Ann (Bennett) Lockwood, the first woman candidate for the office of President of the United States. Previous to this, Mrs. Lockwood had established another "first" -- she was the first woman admitted to practice before the Supreme Court of the United States (in 1879). She was nominated for President by the National Equal Rights Party in 1884 and again in 1888. The latter election was won by Benjamin Harrison, husband of Caroline Scott Harrison, the first President General of the NSDAR.

HISTORIC DATES IN DECEMBER: The Boston Tea Party took place in December 1773, when 342 chests of tea on board the Dartmouth were dumped into Boston harbor. On December 26, 1776, Washington captured nearly 1,000 Hessian troops in an early morning raid at Trenton, N.J. The first three States to ratify the Constitution did so in December 1787: Delaware, Pennsylvania, and New Jersey, in that order. The Bill of Rights, the first ten amendments to the Constitution, went into effect in December 1792. President James Monroe's Seventh Annual Message to Congress on December 2, 1823, contained a statement of American policy, the Monroe Doctrine. December was a popular month for States to be admitted into the Union: Indiana, in 1816, as the 19th State; Mississippi, in 1817, as the 20th; Illinois, in 1818, as the 21st; Alabama, in 1819, as the 22nd; Texas, in 1845, as the 28th; and Iowa, in 1846, as the 29th.

A contemporary account of Christmas in Virginia in 1613 reads: "The extreme wind, rain, frost, and snow caused us to keep Christmas among the savages where we were never more merry, nor fed on more plenty of good Oysters, Fish, Flesh, Wild fowl and good bread, nor never had better fires in England."
From the Desk of the National Chairman:

Microfilm Records will be counted by pages for credit. Please check with our office before buying or sending film in order to avoid duplication of records already on file.

The National Chairman and Staff of the Genealogical Records Committee extend to each of you Best Wishes for a Merry Christmas and a Happy and "Productive" New Year.

Canadian and Nova Scotia Refugees Who Joined the American Cause. At the beginning of the Revolutionary War, as in the "United Colonies", sympathies were divided. More than half of all the refugees from Canada were from the State of New York and nearly all the refugees from Canada to the Colonies were originally from the State of New York and the New England States. Efforts were made by Benjamin Franklin and others to persuade the Canadians as a group to take steps to join the American cause. This failed but a later attempt to enlist Canadians as individuals was more successful. (The Canadians who enlisted as soldiers were treated by the British authorities as outlaws and became in name and in fact "Refugees" from Canada).

Not until March 1778 was a petition made to Congress for the relief of these persons who had shown themselves as "firm friends of the liberties of America". In 1782 a tract of land was set aside for these "Refugees" in the State of New York. In 1798, a "Refugee Tract" was set aside for these who had shown their sympathy for the colonists during the Revolution, including many who had their property confiscated by the British Government.

In New York the "Refugee Tract" is located in the north east and the central parts of what is now Clinton County. (The greater part of the tract was not occupied on the time specified by the Act and therefore reverted to the State).

The following is a partial listing of those who drew lots for grants of land in the "Refugee Tract":

- Albaere, Pritte
- Antill, Edward
- Amlane, Baptiste
- Arbor, Michael
- Ausline, Presque
- Aymand, John
- Ayot, Pierre
- Bateman, John
- Bedford, Antoine

Pictured from the Samuel Ramsey Chapter are: Mrs. Ben H. Haile, 1st Vice Regent; Mrs. Vernon L. LeMaster, Regent; Mrs. LeRoy C. Kaump, State Vice Regent; Mrs. Stanley G. Markin, 2nd Vice Regent; Miss Nell Farrow, Treasurer.

SAMUEL RAMSEY (Garden Grove, California) organized April 17, 1967, is proud of its achievements during its short history. We have increased our membership from twenty-six to thirty-nine, including nine Junior members, We have made every effort to carry out the major projects of the National Society, and contributed financially to all Honor Roll requirements.

Two events of special interest highlighted the chapter calendar during February: the visit of Mrs. Donald Spicer, Historian General, and a tea for DAR Good Citizens.

A patriotic theme decorated the tables in the Windsor Room of the Greenbrier Inn, Garden Grove, for the luncheon honoring Mrs. Spicer. Other special guests were Mrs. LeRoy C. Kaump, State Vice Regent; Mrs. J. Holland Kinkaid, National Vice Chairman, Western Division, Lineage Research Committee, and Mrs. Sydney J. Graham, Regent, Katuktu Chapter DAR.

The Fireside Room of the Woman's Civic Club of Garden Grove was the setting for the tea honoring seven DAR Good Citizens, their mothers and counselors. Each honoree was presented with a pin, a DAR Spinning Wheel spoon, and a copy of "In Washington, the DAR."

Two American flags have been presented by the chapter. In a ceremony held on the grounds of Independence Hall, Knott's Berry Farm, which was attended by Mrs. Thomas V. Coffee, State Regent, a flag was presented to Girl Scout Troop 698, and later a flag that had flown over the Capitol was presented to the Buena Park Historical Society, during their "Old Timers Picnic", an annual event.

Two books, compiled by the chapter regent, "Marriage and Death Notices from 1830 to 1855," abstracted from The Southern Recorder, a weekly newspaper published in Milledgeville, Georgia, when that city was the capital of Georgia, have been donated to the DAR Library.—Elizabeth Tidd LeMaster.

GOLDEN ANCHOR (Miami, Fla.) met on April 26, 1969 to honor its Golden Pen Society Members. Guest speaker was Chief Joe Dan Osceola, President of the Seminole Tribes of Florida. Shown left to right are: Miss Cynthia McCallister, Edward Hartmann, Karen Hartman, Clark Hartman. One the second row are Chief Osceola, his son Bryan, and his wife, Linda.

SHAWNEE MISSION (Shawnee Mission, Kansas) was notified that Miss Doris Healy, whom they sponsored in the 1969 DAR Scholarship contest, was selected to receive the $200.00 cash award given by the Kansas Society annually to the outstanding graduating senior girl with DAR eligibility who plans to attend college. Miss Healy was also the 1969 Good Citizen for Shawnee Chapter. She was graduated in the top ten of a class of 651 from Shawnee Mission North High School and will attend Harding College in Searcy, Arkansas, majoring in elementary education.

Mrs. William J. Taylor, a Junior member, placed third in the state Outstanding Junior DAR member. Shawnee Mission Chapter made the gold honor roll and had many interesting programs during the year which included an heirloom display, American Christmas music, a fine program on conservation and "Historic Highlights on Canvas" as done by its own members. Works of Mrs. William R. Stuart, Mrs. Lawrence A. DeKalb and Mrs. George P. Williams were featured.

Another interesting project arose from checking the Santa Fe Trail markers in Johnson County as requested by the state historian, Mrs. W. M. Osten...
on a rather unsightly spot behind the lumber yard where it had been moved when Interstate 35 had cut off the road to the original location. Mrs. Luther A. Glenn, Sr., Regent of Shawnee Mission Chapter, contacted Lenexa officials hoping that a more favorable spot could be found. Just at that time the Lenexa city fathers and local service clubs were developing a city park. The council agreed to move the Santa Fe Trail marker to a prominent place in the park which is located on Santa Fe Trail Road in Lenexa. Shawnee Mission Chapter and Mrs. Glenn provided plantings on either side of the marker in honor of Mrs. Bertram Lempenau, State Regent, and will participate with the civic garden club in putting decorative rocks around the marker to enhance the setting and keep down weeds. After being rained out twice the dedication ceremony was held June 28 beneath threatening skies.

ATLANTA (Atlanta, Georgia). Time receded nearly two hundred years and two of the schools invited by the Atlanta Chapter to participate in the NSDAR Essay contest became enveloped in an aura of early American History. E. Rivers Elementary School through the patriotic devotion of Miss Florence Willoughby, principal, was one of these. The other was Morningside Elementary School.

For several years, each February at Morningside, under the leadership of the principal, Mrs. Edward Maxwell, observance of National History Month has developed into a meaningful experience for every pupil in the school. This year’s activities centered around the period of the American Revolution and culminated in an inspiring exhibit which occupied the lower floor of the building, and in a program for the PTA.

Third graders reproduced eighteenth century Boston Common, built a miniature Mount Vernon with cutaway back to show the rooms and furnishings inside, and enlisted the help of parents in fashioning dolls and toys such as colonial children enjoyed.

Second graders presented Indian neighbors of the colonists and first graders collected scraps of cloth, lace and braid fashioned to show how famous Revolutionary personalities dressed, with many versions of George Washington.

The fifth grade became interested in colonial architecture and built a town in New England. Sixth and seventh grade pupils lined the walls with a series of colorful murals.

For the April meeting of the Atlanta Chapter, some of the exciting Morningside exhibit items were taken to Craigie House, home of the Atlanta Chapter by Richard Baugh, president of the Dolly Madison Society C.A.R. of the Atlanta Chapter. At the May meeting, Lee Hockenhull Mason, daughter of Mr. and Mrs. Robert A. Mason and sixth grade winner of the essay contest in E. Rivers School and winner of the state, district and NSDAR awards, was presented the gold medal and $100.00 bond by Mrs. John Inman Bell, State Chairman for History Month and by the Regent, Mrs. G. Seals Aiken. Lee is a fourth generation member of the Atlanta Chapter.—Mrs. E. Lee McNaughton.

MARIPOSA (Mariposa, California). Signaling the end of a busy year, Mariposa was the happy recipient of six awards at the California State DAR Conference in March. Highlighting these honors was the beautiful Celeste Coffee Silver Bowl award received for doubling the Chapter membership during 1968.

Featuring our second year’s activities was the unveiling of an official DAR memorial plaque at the grave of Frances (Gresham) Hammond, daughter and granddaughter of American Revolutionary War soldiers, John Gresham, Jr. and Sr. A covered-wagon grandmother, at an advanced age she pioneered a fine Christian home in a new land—beautiful Catheys Valley—where she spent her declining years, died and was buried. Her husband, John Boyd Hammond, served as an early legislator in the California Assembly.

Acting as Mistress of Ceremonies, Mrs. Lee Irving Rowland, Organizing Regent, welcomed guests and presented Mrs. Alfred Hval, Chaplain, and Mrs. Lowell Traxler Bondshu, Regent, Mari posa Chapter, who respectively gave the Invocation and led the recital of the Pledge of Allegiance to the Flag and the American’s Creed. The Star Spangled Banner was played on the flute by Miss Sharon Hollenbeck. Guest speaker, Lee Irving Rowland, great grandson of Mrs. Hammond, related highlights of the oxen-drawn trek, settlement and home-making of his progenitor.

The Marker was dedicated by Mrs. Thomas Vernon Coffee, California State Regent, and Miss Martha Galt, great niece of the honored woman and a member of Fielding Lewis Chapter DAR, Marietta, Georgia.

COLONEL JOHN MITCHELL (Anchorage, Alaska) presented a 49-star flag certified to be the one that flew over the Capitol of the United States, Washington, D. C., July 4, 1959, the day the 49-star flag became this nation’s official emblem. It honored Alaska’s admission to the Union. An accompanying letter of certification from
the Architect of the Capitol, Washington, D. C., was included.

The flag and letter was a gift from the late United States Senator E. L. "Bob" Bartlett of Alaska who gave the items to the Denali Chapter, Children of the American Revolution.

During a period of inactivity the flag reverted to the parent organization, Col. John Mitchell Chapter, DAR who have placed the flag on indefinite loan to the Anchorage, Alaska Historical and Fine Arts Museum for all to enjoy and revere.

The ceremony, Feb. 12, 1969, was attended by the Honorable George M. Sullivan, Mayor of Anchorage, members of the City Council, representatives of 17 civic, patriotic and historical societies, chapter members, and the general public was invited. This occasion preserved one more facet of Americana in the 49th state, Alaska.—Mary Jane Johnson.

COPA DE ORO (Alameda, California) celebrated its 60th birthday and the Bicentennial of California at an alfresco affair on June 11, 1969 in the garden of Mrs. Arthur Heche. Copa de Oro was organized in June 1909 and is the sixteenth California Chapter. Preceding the outdoor event the honor guest, Mrs. Thomas Vernon Coffee, State Regent, installed the officers of the Chapter in an impressive ceremony. This was followed by a short talk on California history given by a 7th generation Californian and author, Mr. Austen Den Warburton. DAR members and friends attending included California State Society officers, State Chairmen and Chapter Regents from the area. The guests were welcomed by Chapter members wearing costumes representing the era of the founders of the DAR in 1891 and of Copa de Oro Chapter in 1909 or with Spanish shawls and mantillas, treasured family heirlooms.

A fiesta air was created by colorful garden umbrellas, tables and ribbon streamers. Real Copa de Oro flowers and California poppies were used in flower and fruit arrangements. Guests helped themselves to early California foods while wine and punch were poured by "senoritas." Two large birthday cakes made by Mrs. Emmet Daniels, newly installed Regent, were decorated with golden poppies and served with coffee from the cabana by chapter officers, Mrs. Walter G. Smith, Mrs. Alfred Siebert, Mrs. Walter Hebel and Mrs. Daniels, Cleverly decorated egg shells, called "Cascarones", often used in Spanish festivals, were distributed by Junior Hostesses Dru Ann Parks and Barbara Grebe, members of Copa de Oro Society, C.A.R. A strolling guitar player added to the enjoyment of the occasion. The co-operation of all the chapter members put over a memorable day and all agreed that the double celebration of Copa de Oro's and California's birthdays was a "fun game" in which old and young could take part.—Carol Heche.

60th Anniversary of the Copa De Oro Chapter.

GARCILASO DE LA VEGA (Lake Worth, Florida) celebrated its Eleventh Birthday with a luncheon at the Famous Restaurant on Saturday, November 8, 1969. Mrs. Chester F. Tasker, Regent, welcomed the members and guests.

Mr. Joseph J. Gallo, accompanied by Mrs. Louis Dring, led the singing of "Happy Birthday" and sang two solos: "The Impossible Dream" and "Let There Be Peace".

The Historian of the Chapter, Mrs. Walter W. Johnson, was guest speaker relating the history of the group. Garcilaso de la Vega Chapter was named for el Inca, Garcilaso de la Vega, who was the first native American Historian. His mother was an Inca Princess and his father was a Spanish conquistador. His book describing the explorations of De Soto and the wonders and beauties of Florida was published in 1605 at Lisbon, Portugal, and was titled "La Florida". The Chapter was organized July 29, 1958 by Mrs. J. A. Rostan and thirteen other members. During the eleven years the Chapter's membership has grown to sixty-nine and given generously to State and National projects. Each year Garcilaso de la Vega Chapter sponsors an Antique Show that draws people from the entire East Coast of Florida.

Past Regents of the Chapter, Mrs. John Goodner of Miami, Florida and Mrs. George Stanley of Lake Worth, along with the following Charter Members were honored: Mrs. Harold Dey, Mrs. Herbert D. Doughty, Mrs. Helen B. Easton, Mrs. Roberta Prost Greene, Mrs. Elizabeth Harmon, Mrs. John H. Hoffman, Mrs. John Irons, Mrs. Edwin Keough, Mrs. A. L. Lathrop, Mrs. Bradford Powell, Mrs. Burbridge Ratliff, Mrs. John A. Rostan, Mrs. James H. Samuel and Mrs. George P. Waller.—Mrs. Chester P. Tasker.

DORSET (Cambridge, Maryland) celebrated its Eleventh Birthday with a luncheon at the Famous Restaurant on Saturday, November 8, 1969. Mrs. Chester P. Tasker, Regent, welcomed the members and guests.

The mannequins represented Gov. Thomas Holliday Hicks, who was governor of Maryland during the Civil War; and his friend and advisor, Miss Anna Ella Carroll, sometimes called the "silent member" of Lincoln's cabinet.

Dorset Chapter's window display.
The fact that Gov. Hicks successfully prevented Maryland from seceding from the Union was due in great measure to the influence of Miss Carroll. She is also credited with being the author of the Tennessee Campaign. The daughter of Gov. Thomas King Carroll, she is buried with her family in the cemetery of Old Trinity Church, Church Creek, Dorchester County, Maryland.—Adele Bosley Noble.

BOCA CIEGA (St. Petersburg, Fla.).
To inspire Youth is a prime objective of our DAR, but this past year it has been the Youth who have inspired members of Boca Ciega Chapter, says Mrs. Mark Frame Munson, Regent.

Our Junior Membership chairman, Aida Register, served as Page at Continental Congress; her report at our May meeting included what we consider Youth's response to the DAR program.

"As a Page, I learned that there is a great amount of work and dedication by the DAR at Continental Congress to attack current problems, back current actions, and to help keep our Country strong in the original precepts of our Founding Fathers. I can see our organization becoming much more virile in its role as watch dog to preserve the America of our Forefathers. As a Junior member, I was proud to be a part of Continental Congress."

This same glowing enthusiasm for, and conviction in, the goodness and greatness of America was reflected in the contest entries received by our Chapter and radiated from the faces of the students who received DAR awards from our chairman.

At our February meeting, members of Boca Ciega Society C.A.R. presented their skit that was awarded first place at the Southeastern Conference of C.A.R. We are also proud that outgoing president Jane Hutchinson was elected vice president of the Florida State C.A.R.

Also an inspiration this year has been the dedicated service of our Chaplain, Mrs. Guy D. Attkisson, in visiting the homes of Vietnam casualties.

Mayor Peter Lewis signs Constitution Week proclamation for Los Altos Chapter.

LOS ALTOS (California) celebrated CONSTITUTION WEEK with the signing of a Proclamation for Observation by Mayor Peter Lewis of Los Altos; displays, exhibits, radio spot announcements, press releases, daily U. S. flag raising, a special program, etc. Three Chapter members are descendants of Colonial signers including Benjamin Franklin.

This Gold Honor Roll Chapter, with other Bay Area Chapters, participates in California State Bi-Centennial Celebration by placing an Historical Marker on the site of the Santa Clara Mission. Between 1769 and 1823, Franciscan Friars established 21 Missions and 4 Presidios mainly along the State Coastal route that still preserves the original name, El Camino Real. For 50 years these Missions dominated the economic and religious life of the people and laid the foundation of the great State of California.

On October 18, 1969, Los Altos Chapter Regent, Mrs. Edward F. Holt received the special Appreciation Medal of the Sons of the American Revolution, made to honor an individual for outstanding activity in mutual enterprises. Mr. Robert Fulton, President of the Palo Alto SAR Chapter, made the presentation at the annual traditional Yorktown Luncheon attended by both chapters. On May 10, 1969, Stanford University ROTC Cadets received awards from both chapters at another special joint luncheon at Dinah's Restaurant. Cadet A. Antonio Gado of the Air Force received the Los Altos medal.

The Annual Spring Musicale Tea presented an impressive program for important DAR guests and local DAR Regents. Judge Robert W. Rhodes of the San Jose Municipal Court, who has conducted many U. S. Court Induction Ceremonies for New Citizens (Los Altos DAR Chapter gave 83 individual flags this year) spoke in February. In June an elaborate Swim Party entertained the Chapter Award Winners, ROTC, Good Citizen Girls, American History Essay Contestants, etc.

Prominent Military Hero Officers and distinguished educators contribute continuously to other Chapter programs about Historical Projects, Conservation, American Indians, DAR Approved Schools, Services for Veterans, Americanism, Japanese Art, DAR Reports, etc.—Aileen S. Holt.

DISTRICT 10 (Long Island) New York entertained 50 Vietnam Returnees from St. Albans Naval Hospital in June at an all day beach picnic at the Nassau Seaview Beach Club, guests of Mrs. Robert L. Wilkinson, Regent, Colonel Gilbert Potter Chapter of Amityville. The boys enjoyed the swimming pool, paddle tennis, shuffle board and the young ladies that attended. Several of the boys preferred cooking the hamburgers and frankfurters. Members of the chapters served. The Deputy Chief of St. Albans hospital sincerely thanked the DAR "for such an outstanding affair".—Gertrude L. Jones.

Patients at St. Albans Naval Hospital were guests of New York's District 10 at a swim party and picnic.
the line, four frigates, and 30-odd French troops, seven ships of ornate attire of the French troops. In July, 1780, General de Rochambeau arrived at Newport, R.I., with 5,000 transports. Newport's citizens viewed the Huguenot Society, and DAR members who have been "daughters" for 50 years. At the affair, Mrs. Richard Jones, Regent, presented attractive gold pins marked "fifty years", bearing the DAR insignia, to Mrs. Harry Allen of Harvey's Lake; Miss Mabel Repp and Mrs. J. B. Carpenter of West Pittston; and Dr. Jessie Janjigian of Wyoming.

Miss Repp, a member for 52 years, served as chapter treasurer for 35 years. Mrs. Carpenter, a 50 year member, was formerly corresponding secretary.

Dr. Janjigian joined the daughters 52 years ago as a member of Valley Forge Chapter and transferred membership when she moved to Wyoming Valley.

SHELTER ISLAND (Shelter Island, N.Y.)—About 50 members and friends of Shelter Island Chapter, Daughters of the American Revolution, were present at the Public Library July 12th to hear a talk on "France's Contribution to the American Revolution". Representatives of the Shelter Island Historical Society, the Huguenot Society, and DAR members from the local and surrounding chapters, heard Miss Marie Smith outline the high points of a friendship between France and the U. S. which helped turn the tide to victory in 1781. Miss Smith told of funds contributed to the American cause by wealthy Frenchmen, and how Marquis de Lafayette, though under 20, left a promising career in France to join General Washington as a volunteer without pay. In July, 1780, General de Rochambeau arrived at Newport, R.I., with 5,000 regular French troops, seven ships of the line, four frigates, and 30-odd transports. Newport's citizens viewed with amazement the magnificent and ornate attire of the French troops.

Jean Carbonnet of the French Embassy, friend and co-worker of M. Harzic, also spoke, describing present-day youth problems in French Universities.

M. Carbonnet is Vice Consul in charge of the Educational Department and has degrees from Universities in Bordeaux and Cannes.

At the Shelter Island meeting are pictured: M. Jean Carbonnet of the French Embassy; Mrs. Arthur M. Smith, Regent; Mrs. Percy V. Ketcham, State Chairman, Am. Heritage; Mrs. H. Otis Dickerson, Vice Regent.

GENERAL WILLIAM MAXWELL (Belvidere, New Jersey). The New Jersey Brigade 1779-80 encampment, under the command of General William Maxwell, was formally dedicated on April 26, 1969. The dedication was sponsored by the New Jersey Audubon Society; Washington Association of New Jersey; Morris County Historical Society; and General William Maxwell Chapter, DAR; in cooperation with the National Park Service.

Area Boy Scouts and Girl Scouts presented the Colors. Mr. Melvin Weig and Mr. Lemuel Garrison of the National Park Service served as Master of Ceremonies and gave the welcome, respectively. Mrs. John F. Griffin, State Vice-Regent, and Mrs. Isaac Detwiler Shank, State Chaplain, represented the New Jersey State Society.

In her address, Miss Donna E. Edelman, Regent of the General William Maxwell Chapter, cited the interest and cooperation of the Chapter in preservation of this important American Revolution campsite.

The Minuteman Colonial Fife and Drum Corps presented a medley of Revolutionary War music. The dedication address was delivered by Dr. Richard McCormick, Chairman of the Department of History, Rutgers University.

All Continental Army camps of 1779-80 were located in Jockey Hollow proper except the New Jersey Brigade. Although accurately shown on several military maps prepared by Robert Erskine, Washington's Geographer-General, the site was confused by nineteenth century historians with later New Jersey Brigade campgrounds.

Instrumental in "rediscovery" of the campsite within the Scherman Wildlife Sanctuary were Mr. and Mrs. Fred Bartenstein. At a General William Maxwell Chapter meeting, the Barton-STEINS reviewed their documented report which prompted the New Jersey Audubon Society to donate the encampment area to the United States. It is now part of the Morristown National Historical Park. Archeological excavations have verified the Bartensteins' findings.—Margaret A. Post.

LETITIA GREEN STEVENSON (Bloomington, Ill.) organized May 3, 1894, observed its seventy fifth anniversary on May 3, 1969. Letitia Green Stevenson Chapter was the fourth chapter organized in Illinois. This chapter has the distinction of being the only chapter to have had two members serve as President General. Letitia Green Stevenson (Mrs. Adlai Ewing), was the second President General. Portraits of the sisters hang in the Illinois Room in the southeast corner of Memorial Continental Hall in Washington, D.C. Miss Letitia Ewing Stevenson, daughter of Mrs. Stevenson and Mrs. Carl S. Vrooman, daughter of Mrs. Scott are members of the chapter.

Mrs. Ralph Allen Killey, Chaplain General, and Mrs. Clifford H. Heagler, Chapter Regent, conducted a memorial service at one o'clock at the graves of Mrs. Stevenson and Mrs. Scott in Evergreen Cemetery, Bloomington. Wreaths were placed by Mrs. Wakelee Rawson Smith, State Regent and Mrs. James Justin Hamm, Vice President General, a member of the chapter.

Mrs. Louis A. Rediger, Mrs. Dean Helm and Mrs. Charles H. Salch were in charge of the lovely tea held in the home of the late Mrs. Bird C. Van Leer, former State Chaplain, 1301 South Fell Avenue, Normal. Eight former chapter Regents were present and poured at the beautifully appointed tea table. Mrs. Evan Wissmiller entertained at the grand piano with tunes of the gay nineties. Guests included members of the state board, state chairmen, members of nearby chapters, and friends from all over the state.

Of special interest was a display of the chapter's scrapbooks. Early newspaper articles told of gala parties, describing in detail the gowns and the jewels worn by the distinguished guests; exciting elections held in the state and at Continental Congress; pictures and narrative descriptions of the many historic markers erected by the chapter. Letitia Green Stevenson owned the first DAR banner, authorized by Continental Congress in 1924. The chapter (Continued on page 870)
WHERE THE ACTION IS -- Do you ever feel the need for interesting and colorful facts on DAR national projects to liven up a news release about routine chapter business? Look through the Proceedings of Continental Congress. It holds a wealth of information on recent DAR achievements. (It should be part of every chapter's circulating library . . . for the Regent and the Public Relations Chairman -- as well as for other members to browse through.)

DAR SCHOOLS . . . HISTORICAL MARKERS . . . MICROFILMING -- Here are just a few of the many national projects that can be tied in to local activities. Seize the chance to insert a sentence or paragraph on the wider picture whenever the opportunity presents itself. (You can even make an opportunity to create a news release whenever there may be a period to time when it seems that "nothing is happening" . . . peg your story to a chapter steering-committee or executive-board meeting.)

SCHOOLS -- (Miss Amanda A. Thomas, National Chairman, DAR School Committee) -- If your chapter should consider a contribution of money or clothing to Kate Duncan Smith or Tamassee, add a comment about new buildings under construction, new classroom equipment purchased, or the number of pupils helped last year.

MARKERS -- (Mrs. Donald Spicer, Historian General) -- If you place a DAR marker on a member's grave, fill in your story with the number and types of DAR markers placed throughout the country . . the search for graves of Revolutionary soldiers . . the identification of homesteads and pioneer trails.

RECORDS -- (Mrs. Richard Denny Shelby, Registrar General) -- If you send in application papers for a new member, mention also the number of lineage records that have been microfilmed at national headquarters and the research facilities that are available there for the public at large.

A TREASURY OF IDEAS -- DAR treasurer's records contain a storehouse of up-to-date material for adding human interest to news releases on almost any DAR Committee you can think of. With a little imagination, any Public Relations Chairman can take facts and figures from the national treasurer's report and build them into a meaningful story line. For example, from the "Report of Treasurer General" (Mrs. Nile E. Faust): almost $55,000 contributed to American Indians and $4,000 expended for the American History Scholarship, nationally . . and a comparison of contributions of each state to DAR Schools and American Indians.

DECEMBER 1969 [ 837 ]
As reported to the office of the Historian General by the Chapters indicated. This alphabetical list will be continued in subsequent issues.

MINUTES

NATIONAL BOARD OF MANAGEMENT

Regular Meeting October 9, 1969

The regular meeting of the National Board of Management of the National Society Daughters of the American Revolution convened in the Board Room of Memorial Continental Hall, Washington, D.C., at 9:30 A.M., Mrs. Erwin Frees Seimes, President General, presiding.

The invocation was given by the Chaplain General, Mrs. Ralph Allen Killey, followed by the Pledge of Allegiance to the Flag, led by Mrs. George Sprague Tolman III, Librarian General.

The Recording Secretary General, Mrs. Lyle Johnston Howland, called the roll. The following members were recorded present: National Officers: Executive Officers: Mrs. Seimes, Mrs. Killey, Mrs. Howland, Mrs. Walz, Mrs. Barnes, Mrs. Faust, Mrs. Shelby, Mrs. Spicer, Mrs. Tolman, Mrs. Kietzman. Vice Presidents General: Mrs. Chapman, Mrs. Geron, Mrs. Dick, Mrs. Humphreys, Mrs. Gressette, Mrs. Walsh, Mrs. Utz, Mrs. Galbraith, Mrs. Jackson, Mrs. LaMack, Mrs. Reilly, Mrs. Hamm, Mrs. Richardson, Mrs. Stapel, Mrs. Bain. State Regents: Mrs. Bryant, Mrs. Williams, Mrs. Smith, Mrs. Wheeler, Mrs. Bartels, Mrs. Lempenau, Mrs. Evans, Mrs. Redfield, Mrs. Warren, Mrs. Sweet, Mrs. Kleinkert, Mrs. Corbett, Mrs. Johnson, Mrs. Finks, Mrs. Mulligan, Mrs. Parr, Mrs. Griswold, Mrs. Clyde, Mrs. Goldsborough, Mrs. Heiser, Mrs. Rudy, Mrs. Johnson, Mrs. Ziesmer, Mrs. Farlander, Mrs. Rogers, Mrs. King, Miss Woolley, Mrs. Maughan, Mrs. Buffington, Mrs. Brooke, Mrs. Moore, Mrs. McCray.

The Recording Secretary General, Mrs. Howland, took the chair and the President General, Mrs. Seimes, read her report.

Report of President General

On Saturday evening, April 19, following adjournment of the 78th Continental Congress, it was a pleasure for the President General to attend the Annual C.A.R. Banquet at the Sheraton Park Hotel and present the DAR Traveling Banner to Pennsylvania C.A.R. for having transferred the most members into the DAR during the past year.

Your President General spent the next few weeks attending to the many things that, of necessity, had been put aside. The President General, accompanied by Mrs. Donald Spicer, Historian General, attended the ceremonies commemorating the 362nd anniversary of the landing by the first permanent English settlers in America and the 350th anniversary of the First Legislative Assembly in America at Jamestown Island on Sunday, May 11.

The next day, May 12, Mr. Joseph H. Green, President of J. E. Caldwell Co., came to Washington to discuss that company's remaining our official jeweler. In the afternoon, the President General, with the First Vice President General, Mrs. Henry S. Jones, and the Historian General, attended the United States Premiere of the Third Anniversary of Art Linkletter's World Tour to Military Families, at the Marine Barracks in Washington, D.C.

On May 14, she attended a high-level seminar for the leadership of national nongovernmental organizations at the Pentagon. It was her pleasure to hear Secretary of Defense, Melvin Laird, speak at the luncheon.

June 4 she attended the annual Calico Brunch and bridge party sponsored by the Caesar Rodney Chapter in Wilmington, Delaware, for the benefit of educational and historical projects of the chapter.

The Special Meeting of the National Board of Management and the meeting of the Executive Committee were held on June 11 at National Headquarters.

June 14th the President General attended the Delaware DAR Flag Day meeting at the Avenue Restaurant in Rehoboth Beach, Mary Vining Chapter, hostess.

On July 4 she attended the Annual Ceremony in Christ Churchyard, Dover, Delaware, sponsored by the Delaware S.A.R., honoring the memory of Caesar Rodney at which time she placed a memorial wreath at the grave. A luncheon followed at the Hub Restaurant.

National Headquarters complied with the wishes of the President and closed on Monday, July 21, the day the astronauts landed on the moon.

July 23 she drove with Mrs. Wilson King Barnes, Organizing Secretary General, Judge Barnes, and Mrs. George J. Walz, Corresponding Secretary General, to Chautauqua, New York, to be the guest speaker on July 24, DAR Day at Chautauqua.

On July 29, the President General went to Capitol Hill, accompanied by Mr. Stanfield S. McClure, Public Relations Director, and Miss Rose Hal, Editor of our DAR Magazine, to receive a numbered edition of "The Inaugural Story" from Senator John Williams of Delaware. She, in turn, presented him with a copy of "In Washington." Senator J. Caleb Boggs was also present and he, too, was presented with our book, "In Washington."

August 4 the President General emplaned for Charleston, West Virginia, to visit the American Heritage Camp and be one of its speakers. She was met by Mrs. Charles F. McNutt and driven to the Camp. This was a most memorable visit as well as an inspiration to witness, first hand, what the West Virginia Daughters are doing for the teen-age girls of that State.

The 1969 Fall Tour of the President General will encompass eight States: Wyoming, South Carolina, North
The morning of August 19, she emplaned for Casper, Wyoming, to attend the Wyoming State Conference. Upon arrival, she was met and taken on a delightful sightseeing tour of the City. That evening a reception was held at the Casper Women’s Club House with Fort Casper Chapter hostesses. Following the morning session, which was presided over by Mrs. John W. Lavery, State Regent, the President General was guest of honor at a luncheon. Later that afternoon, she attended a tea held at the charming home of Mrs. G. G. Nicolaysen. At the Banquet that evening the President General gave her formal address, “There is Hope for America.” During her stay in Casper, she was on television and appeared on two radio programs—one of which was a question and answer affair where the President General received phone calls from listeners. These were arranged by Miss Anna May Pearce, Wyoming Public Relations Chairman.

The President General returned to Washington for one day before leaving on August 22 for Keene, New Hampshire, to be the overnight guest of Mrs. Nile Eugene Faust, General was guest of honor at a luncheon. Later that afternoon, she gave a formal address, “There is Hope and Vision” and appeared on two radio programs—one of which was a question and answer affair where the President General gave her informal address. The next day, she gave a formal address at the Conference banquet. While in Sioux Falls, South Dakota, by Mr. Kenyon Cull and driven to Springfield where she spent the weekend with the Culls at the School. It was a pleasure to have this opportunity to see the fine work that is being done for the Indian girls. Mr. Cull took the President General to a nearby Indian reservation and it was interesting to see the work begun by an Episcopal priest to teach the Indian men technical work. He now has twenty in training and bears out the oft repeated saying, help the Indian to help himself. Both the fine training at St. Mary’s Episcopal School and job training were well worth seeing.

On Sunday, the 21st, Mr. Cull drove the President General to Sioux Falls to attend the South Dakota State Conference.

The next afternoon, the Episcopal Ladies of the Calvary Cathedral gave a tea honoring the President General. That evening there was a Pre-Conference Dinner and then the State Regent, Mrs. Robert E. Powers, called the meeting to order. The informal talk of the President General was given at that time. The next evening, September 23, she gave her formal address at the Conference banquet. While in Sioux Falls, the President General taped an interview for KELO-TV CBS, as well as a radio program which was heard over WNAX-CBS system covering five States: South and North Dakota, Minnesota, Nebraska and Iowa.

The morning of September 24, before leaving for Madison, Wisconsin, the President General was a guest at a beautiful brunch at the Minnehaha Country Club with Mrs. Paul A. Weber, hostess.

Thursday morning, September 25, the President General accompanied by the State Regent, Mrs. James S. McCray, and Mrs. Gordon Harman, was greeted by Governor Warren P. Knowles in his office. A reception honoring the Pres-
President General was held in the Blue Lobby of the Wisconsin Center later that afternoon and at the informal dinner that evening the President General gave her informal talk.

A television program was scheduled for 11:00 a.m. Thursday and a radio interview followed.

The State Regent formally opened the Fall Workshop the next morning, the 26th. At the luncheon, the President General gave her Conference address. A reception was held after the close of the Workshop at the State House in the beautiful Board Room adjoining the Governor’s office.

The President General traveled by automobile with Mrs. Lester J. LaMack, Vice President General, and Mrs. Frank L. Harris, National Chairman, DAR Magazine Advertising Committee, to Racine where she spent the weekend with Mrs. Harris at her home. While there the Racine Chapter gave a lovely party in honor of the President General.

On Sunday, September 28, the President General, accompanied by Mrs. Harris and Mrs. LaMack, emplaned for Minneapolis to attend the Minnesota State Conference. Arriving at the airport, we were met by the State Regent, Mrs. Laurence W. Corbett, and her husband and there was time for a tour of Minneapolis. At tea honoring the President General was held that afternoon and then the Minnesota State Officers’ Club held their annual meeting and banquet.

The meeting was formally opened by the State Regent on Monday, September 29. There was an American Indians Luncheon with Mr. Kenyon Cull as speaker. That afternoon the President General gave her informal talk and that evening she attended the dinner honoring the Chapter Regents.

The formal address of the President General was given the following evening at the banquet. It was a pleasure to visit Sibley House before leaving for Washington on October 1.

The District of Columbia DAR gave a lovely reception for the President General and her Cabinet Tuesday evening, October 7, at the Mayflower Hotel.

The National Board Dinner was held at the National Portrait Gallery Wednesday evening, October 8, and it was a most enjoyable evening.

Appreciation is expressed to the following for representing the National Society so ably:

Mrs. Douglas G. Dwayer, State Regent, District of Columbia DAR, placed a wreath at tomb of Thomas Jefferson, at S.A.R. ceremonies commemorating 226th anniversary of his birth, April 13; at the Massing of the Colors by The Military Order of the World Wars, St. Paul’s Lutheran Church, Washington, D.C., June 15; as well as at the Award Presentation Ceremonies, Officer Candidate School, Marine Corps School, Quantico, Virginia, July 18.

Mrs. Donald Spicer, Historian General, attended meeting of United States Department of Agriculture on Smokey Bear’s 1969 campaign, April 23; also at the Officer Candidate/General Service School graduation, United States Coast Guard Reserve Training Center, Yorktown, Virginia, June 6.

Mrs. Daniel W. Humphreys, Vice President General, Oklahoma, attended the 79th Annual Congress of the National Society, Sons of the American Revolution, Salt Lake City, Utah, May 25-28.

Mrs. Nile Eugene Faust, Treasurer General, laid a wreath at the Altar of the Nation at the Cathedral of the Pines, May 30; also attended the 1969 Awards Convocation for the United States Military Academy, West Point, New York, June 3.

Mrs. James E. Clyde, State Regent, New York DAR, at the sixth Annual Memorial Day ceremony at the Hall of Fame for Great Americans at New York University, May 30.

Mrs. Lyle J. Howland, Recording Secretary General, at the presentation of Prizes and Awards, United States Merchant Marine Academy, Kings Point, New York, June 2.

Mrs. George A. Morris, State Regent, Connecticut DAR, at the Individual Proficiency Award Ceremony, United States Coast Guard Academy, New London, Connecticut, June 3.

Mrs. Wilson King Barnes, Organizing Secretary General, at the Prizes and Awards Ceremony, United States Naval Academy, Annapolis, Maryland, June 3.

Mrs. Herman M. Richardson, National Chairman, Lineage Research Committee, brought greetings to the American Legion Auxiliary in Atlanta, Georgia, August 27.

Mrs. Leo W. Utz, Vice President General, Virginia, at the Award Presentation Ceremonies, Officer Candidate School, Marine Corps School, Quantico, Virginia, August 29.

Since the National Archives was presented with a copy of the DAR Patriot Index, a copy of the first Supplement has also been given.

To bring this report completely up to date, the wonderful attendance at the National Chairman’s Forum and the State Regents’ meeting on October 8 was most gratifying. The reports of the National Chairman indicated progress for the coming year and the Regents’ reports were both progressive and informative and I think all benefited from hearing of the fine work being done in each State.

BETTY NEWKIRK SEIMES
President General.

The President General, Mrs. Seimes, resumed the chair.

In the absence of the First Vice President General, Mrs. Henry Stewart Jones, Mrs. Seimes called attention to the DAR Handbook which had been revised over the summer months and is now ready for distribution.

The Chaplain General, Mrs. Ralph Allen Killey, read her report.

Report of Chaplain General

The Chaplain General presided at breakfast on Sunday, April 13, at the Mayflower Hotel, attended by 175 members and guests. Following breakfast, busses carried the members to Arlington National Cemetery, where this officer offered prayer and placed a wreath at the Tomb of the Unknown Soldier.

The group motored on to Mt. Vernon, where the Chaplain General read scripture and offered prayer at the Tomb of George and Martha Washington. Mrs. Jane Cyphers, Outstanding Junior from the District of Columbia, placed a wreath at the grave of George Washington, and Barbara Hedberg, daughter of the Chaplain General, placed a wreath at the grave of Martha Washington.

The Annual Memorial Service of the National Society, Daughters of the American Revolution, was held at 2:30 P.M., of the same day, at Constitution Hall. Here remembrance was given and tribute paid to the 4110 members who have left our midst. Ten Past National Officers, 8 Past State Regents, and one Charter Member were accorded special tributes.

This officer gave scripture, opening prayers, and benedictions at sessions of Continental Congress, and table grace at the Executive Officers Club, the American Indian Breakfast, and the DAR Schools Luncheon.

She was the speaker at the Maine State Luncheon at the Mayflower Hotel. She joined with other Executive Officers at a tea, held on the second floor of the White House, graciously hostessed by the First Lady, Mrs. Richard Nixon, after which Mrs. Nixon greeted the large number of members attending tea on the main floor.
The Chaplain General expresses much pleasure in attending a number of State social functions during Congress, and wishes it had been possible to accept all invitations. This officer spent the weekend, May 16-18 at Huntsville, Alabama, where she was the house guest of Mrs. Richard Preston Geron, Vice President General. While there she visited Kate Duncan Smith DAR School and was a luncheon guest of Mrs. Grady Jacobs, Chairman of the Board.

Mrs. Geron entertained the officers of Twickenham Town Chapter at a dinner, honoring the Chaplain General.

On May 18, 1969, this officer was a luncheon guest of Mrs. Grady Jacobs, Chairman of the Board. The Chaplain General expressed much pleasure in attending a number of State social functions during Congress, and wishes it had been possible to accept all invitations. This officer spent the weekend, May 16-18 at Huntsville, Alabama, where she was the house guest of Mrs. Richard Preston Geron, Vice President General. While there she visited Kate Duncan Smith DAR School and was a luncheon guest of Mrs. Grady Jacobs, Chairman of the Board.

On Sunday, May 18, this officer was a speaker at the presentation of 38 Certificates of Honor to the families of deceased servicemen from Madison County. The excellent presentation was well received.

On May 31, the Chaplain General presented the Professor Samuel P. Langley Award, a polaroid camera, to the outstanding Cadet in Aerodynamics at the Air Force Academy, Colorado Springs, Colorado. This year's winner was Cadet John M. DeZonia, son of retired Air Force Lieut. Colonel and Mrs. Lawrence E. DeZonia, Cocoa Beach, Florida. Cadet DeZonia was a participant in the Academy's cooperative Masters Degree program. He has entered Purdue University and will be eligible for his Masters Degree upon completion of only two courses. Of particular interest to us is the information that Cadet DeZonia received the DAR Good Citizenship Award while attending Thomas Jefferson Junior High School, Arlington, Virginia.

While in Colorado, this officer was a luncheon guest of Mrs. George Miller, immediate Past State Regent. She was guest of honor at a tea in the home of her daughter, Mrs. Ray Hedberg, hostessed by Arapahoe Chapter, Boulder. Guests were State Officers and Chapter Regents.

In Illinois she attended Receptions for State Officers including one at Hinsdale, honoring the State Regent, Mrs. Wakelee Smith.

The Chaplain General attended the Executive Meeting and Special Board of Management meeting in June. The brochure letter to all Chaplains was prepared.

Many Certificates of Honor have been presented to bereaved families, with 572 sent out since April 19, 1969. Christian Service has been reported from a number of chapters. An interest in and thoughtful attention to our ill and shut-in members is most rewarding.

Appreciation is expressed for all State yearbooks received. Several speaking engagements have been planned for DAR and non-DAR organizations.

FRANCES B. KILLEY,
Chaplain General.

The Recording Secretary General, Mrs. Lyle Johnston Howland, read her report.

Report of Recording Secretary General

At the close of the 78th Continental Congress resolutions and letters as directed by the Congress were sent to the President of the United States, members of the Cabinet, heads of the Defense, Army and Navy establishments, chairmen of committees of the United States Congress and others.

The resolutions adopted by the 78th Continental Congress were prepared and printed in pamphlet form for distribution.

The printing of the Proceedings of the 78th Continental Congress was completed in August.

Minutes of Regular and Special Board meetings were prepared for publication in the DAR Magazine and proofread. Verbatim transcripts and minutes have been indexed and recorded.

Motions and resolutions of the Continental Congress and the National Board have been typed and copies delivered or mailed to each National Officer, also copied for the statute book and indexed.

The minutes of the Executive Committee meetings have been written and copies sent to all members of the committee, copied for binding in book form and indexed. Motions affecting the work of each office were typed separately and delivered.

Since April 12, 1969, 3,108 membership certificates have been prepared and mailed, also 18 commissions to Vice Presidents General, Honorary Vice President General, State Regents and State Vice Regents.

Notices of meetings of the National Board of Management and Executive Committee were mailed to the members.

The devoted services of Miss Adeline Thornton, chief clerk, and Mrs. Helen Ball, assistant chief clerk, are greatly appreciated. Their dedication is responsible for the work of the office being current at all times.

It was a privilege to attend the tea given by Mrs. Nixon for the Executive Committee and to represent the National Society and the President General at the Awards Ceremony at the Merchant Marine Academy.

It was a pleasure to attend State Meetings and Conferences, the most recent being my own New York one beautifully conducted by our gracious and able State Regent, Mrs. James E. Clyde.

I have been the guest speaker at several District and Chapter meetings.

MARJORIE S. HOWLAND,
Recording Secretary General.

The Corresponding Secretary General, Mrs. George Jacob Walz, read her report.

Report of Corresponding Secretary General

This report covers the period from March 1 to October 1. The following mailings were sent during this period:

Resolutions (to Official mailing list, members of DAR Speakers Staff, Senators, Congressmen and Governors) 3,728

August Packets (to Official mailing list, members of DAR Speakers Staff) 3,113

Proceedings (free to National Board, National Chairmen, the immediate past State Regents and Vice Presidents General—109 sold) 251

Extra August Packets were made up to sell for $1—337 were sold.

Orders for supplies continue to increase. A total of 7,917 orders were processed during this seven-month span. Included in the total were 538 copies of Patriot Index and 4,480 Supplements.

The "In Washington" book continues to be in demand. Since March 1st 2,965 paperbacks were sold, 206 red linen, 88 blue Fabricoid and 10 leather bound copies, a total of 3,269 books. The Museum helps with the sales of this book. Many nonmembers visiting our Museum purchased the book, as well as members, totaling 505 paperbacks and 22 red linen. These are included in the grand total above.

The proceeds from these sales are credited to the Constitution Hall Renovation Fund. For the period of March 1 to August 31 a net total of $3,461.52 is in the "In Washington" fund.

Letters answered requesting information relative to membership totaled 669. By States, the most membership letters...
came from California (89); Virginia was second (80); and New York, third (57). It is hoped that many of these prospective members have or will become members of our Society.

Immediately following Congress all Honor Roll certificates not picked up during Congress were mailed. Lists were typed and sent to State Regents, Vice Chairmen and State Chairmen of the Honor Roll Committee showing the Honor Roll chapters. The final Honor Roll Report was prepared for publication in the October DAR Magazine.

A total of 129 letters requesting information concerning scholarships were answered. We have also filled many requests from high schools across the country for the forms for the American History Scholarship. Approximately 2,000 sets of the application forms have been mailed out.

Much time was spent by Mrs. Yochim on the many details involved in the DAR Bus Tour.

It was the sad duty of this office to notify the members of the National Board of the death of our beloved Vice President General, Miss Anna Mary McNutt, on July 5th.

Due to the large amount of work carried out by this office and the growth of the Treasurer General’s office, it was necessary to find a larger room. Therefore, in June the Corresponding Secretary General’s office was moved to the north side of the administration building. Our beautiful new room is the first office on the right as you enter the building from D Street. Come and see us.

Trips were enjoyed during the summer to Chautauqua, New York for DAR Day. I traveled there with Mrs. Seimes, President General, and Mrs. Barnes, Organizing Secretary General. The annual DAR Vesper Service took me to Rindge, New Hampshire. The evening before it was a pleasure to attend a dinner at Shoredge Lodge in honor of Mrs. Seimes given by the New Hampshire State Board of Management. While in New Hampshire I was the house guest of Mr. and Mrs. Faust at Shoredge Lodge.

Charters were presented at luncheon meetings of Octorara Chapter and Derry Chapter. These are the last two chapters organized during the term of my State Regency. I was privileged to attend several other DAR chapter meetings, speaking at three of them.

Our two faithful assistants in the office, Mrs. Eldred Yochim and Miss Carolynann Hillman, deserve all credit for the unbelievable amount of work produced. To them go my deep thanks.

JUSTINA B. WALZ,
Corresponding Secretary General.

The Treasurer General, Mrs. Nile Eugene Faust, gave the following report on membership:

<table>
<thead>
<tr>
<th>Category</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Deceased</td>
<td>1,065</td>
</tr>
<tr>
<td>(Including 71 which were deducted from the June 1 count)</td>
<td></td>
</tr>
<tr>
<td>Resigned</td>
<td>510</td>
</tr>
<tr>
<td>Dropped for nonpayment of dues on July 1</td>
<td>632</td>
</tr>
<tr>
<td>Reinstated</td>
<td>181</td>
</tr>
</tbody>
</table>

Mrs. Faust moved that 181 former members be reinstated. Seconded by Mrs. Gressette. Adopted.

Mrs. Faust presented the report of the Treasurer General.

Report of Treasurer General

Madam President General and Members of the National Board of Management,

I hereby submit the Summary Statement of Current and Special Funds for the six months ended August 31, 1969, and the supporting schedules thereto.

MARY JANE FAUST, Treasurer General.

$10,743.53

Mrs. Leo W. Utz, Chairman, read the report of the Finance Committee.

Report of Finance Committee

The Chairman signed vouchers in the amount of $425,206.64 for the period of March 1, 1969 through August 31, 1969.

Again we thank you for your fine contributions especially for the debt on Constitution Hall.

Alberta T. Utz, Chairman.

In the absence of the Chairman of the Auditing Committee, Mrs. Willard F. Richards, the Recording Secretary General, Mrs. Howland, read the report of the Auditor.

Edward J. Burns, Jr.
Certified Public Accountant
Washington, D.C. 20005

National Society of the Daughters of the American Revolution
Washington, D.C.

We have examined the financial statements of the National Society of the Daughters of the American Revolution listed below:

- Statement of current and special funds (Pages 1 to 3) for the six months ended August 31, 1969.
- Supporting statements of current fund cash receipts and disbursements (Pages 4 to 6) for the six months ended August 31, 1969.
- Schedule of investments (Pages 7 and 8) as of August 31, 1969.
- Statement of cash receipts and disbursements of the Trustees, National Society of the Daughters of the American Revolution Pension Trust Fund (Page 9) for the six months ended August 31, 1969.

Our examination was made in accordance with generally accepted auditing standards, and accordingly included confirmations from depositaries and custodians of cash and investments held at August 31, 1969, and such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The financial statements have been prepared generally on the cash receipts and disbursements basis and therefore do not purport to present the results of operations as they would appear had generally accepted accrual basis accounting principles been applied. Cash receipts and disbursements do not include dispositions and acquisitions of securities, respectively, except for gains or losses thereon.

In our opinion, the aforementioned statements and supporting schedules present fairly the cash balances and investments at August 31, 1969 and the information set forth therein for the six months then ended on the basis indicated which is consistent with that of the preceding year.

Edward J. Burns, Jr.
Certified Public Accountant
Washington, D.C.

The Registrar General, Mrs. Richard Denny Shelby, read her report.

Report of Registrar General

For the third consecutive year the week immediately following Congress, the Volunteer Post Congress Session was held for the purpose of examining supplementals. Twelve dedicated DAR devoted their time to examine 203 supplementals of which 121 were verified. The National Society deeply appreciates the efforts of the Volunteers and extends an invitation to them to return next year. Our appreciation also to Mrs. Inez Waldenmaier, Chief Genealogist of Supplementals, who directed the Volunteers.

In May the Registrar General compiled her letter for the Packet. Your attention is called to the part concerning new policies of the office and the fact that an application must be received in the office of the Treasurer General exactly four weeks prior to a Board Meeting to assure examination for Honor Roll status.
Camera work is near completion and because of the expense involved, it has been decided to use the reels of film rather than convert to aperture cards. Upon completion of filming, the large books will be securely stored in a fireproof vault to be constructed in the basement of our DAR building. Reels of film will be kept with Microfilm Readers in the room where the books are now located.

The Registrar General has arranged demonstrations of Readers and Reader Printers for The Executive Board and for genealogists to assist in the proper selection of equipment. A functional and attractive area will be awaiting our members attending Congress. As the camera work progresses a duplicate is being filmed as a Security Roll.

It is interesting to know that our first four bound volumes are stored in the vault in the office of Treasurer General. These books are cherished by the Society because of their historical value. Pages of handwritten data accompanied many of these applications and rather than damage the glued sheets only the pertinent pages of the applications were microfilmed.

All contributions to this worthy project are appreciated and with your cooperation this year we anticipate implementation of the Microfilm Project by January 1st.

The two pamphlets, General Information for Prospective Members and Requirements for and Preparation of Application Papers have been combined to simplify instructions for prospective members. This free pamphlet, General Information and Requirements for the Preparation of Application Papers, may be ordered from the office of Corresponding Secretary General.

Two prospective members submitting application papers on the same line at the same time may now use one long form and one short form for their convenience. The long form will be examined first and upon verification the short form will be verified. The requirements for using the short form must be followed explicitly.

The DAR Membership Commission proudly presented their first article From the Mailbag in the June issue of the DAR Magazine. It is hoped that questions of general interest will be sent to the various members of the Commission in order that the entire membership of DAR may benefit from the answers.

During the Membership Commission meeting, Mrs. John Garlin Biel, Membership Committee Chairman, asked that each State Regent disperse Prospective Member Blanks, copy of which is on your chair, and urge each member in your state to use these forms. Please stop by the office of Corresponding Secretary General and take stacks home with you. Use of this form will contribute greatly to a net increase in membership.

Your Registrar General received permission from the Board of Certification of Genealogists in the District of Columbia to publish their current list of certified genealogists. You are reminded that the DAR assumes no responsibility to private research. This list was published to assist prospective members who desired names and addresses of professional genealogists. Every chapter is urged to make a concerted effort to have a net increase in membership.

To avoid unnecessary correspondence the Registrar General would like to clarify exactly who is eligible to purchase copies of applications and supplemental papers. (Fee $2.00). The office of Registrar General may furnish photostatic copies without written permission of the member to: (1) members (2) prospective members and (3) Genealogists of the C.A.R., provided no written request to close such papers of an active member is on file in the office. The general public ordering a paper of an active member must include written permission of the active member.

By Executive motion permission to purchase papers without written permission of the active member has been extended to official Registrars and official Genealogists of the Sons of the American Revolution and to official Registrars of the Sons of the Revolution.

With the modernization of all offices, The Betty Newkirk Seimes Computer Center is providing State Regents with a list of members accepted into membership at this Board Meeting. This is an exciting "first" for the Society and will conserve many hours of work previously handled by the staff in the office of Registrar General. The preparation of this list for the convenience of the Regents and Registrars has been a joint project of the offices of Treasurer General and Registrar General and these two National Officers are indeed proud of this achievement.

It is my privilege to announce that the office has examined all supplementals submitted prior to July 18, 1968. Due to the constant efforts of our competent and faithful staff it is with pride that I submit the following report:

- Number of applications received, 2669
- Number of applications verified, 2316
- Number of supplementals verified (since April 19th), 531
- Total number of papers verified, 2847
- Papers returned unverified: Originals, 97; Supplementals, 8; New records verified, 326; Permits issued, 1122; Letters written, 9742; Postals written, 1988; Photostats—papers—5714 (pages—818); Data—pages—818; Total number of pages, 6532.

Mrs. Shelby moved that the 2,316 applicants whose records have been verified by the Registrar General be elected to membership in the National Society. Seconded by Mrs. Humphreys. Adopted.

The Organizing Secretary General, Mrs. Wilson King Barnes, read her report.

Report of Organizing Secretary General

From the questionnaires sent to the State Regents this summer, I can tell that all of you were very busy and working hard to promote new chapters and to save old ones. To date, we have heard from all but 4 State Regents. You will be interested to know that 56 new chapters are hoped for this year and no more than 12 disbandments. Although the number of new chapters is short of our goal of 100 for the present year or the average of two new ones per state, it is nevertheless a great improvement over last year's figure of 18. The number of expected disbandments is also ½ less than last year, so we are really off to a good start. With 2895 chapters now on the roll, we should be well on the way to the 3000 mark by April 1970.

It is also encouraging to note that the second printing of the Organizing Secretary General's booklet, "Promoting and Conserving Our Chapters" is nearing the point of exhaustion, having been in great demand not only for use in the organization of new chapters but for general use by Chapter Regents. Altogether, close to 2000 booklets have been mailed out to those requesting them.

Look for an article in the DAR Magazine of October for an analysis of the replies received to the summer questionnaire and to a brief discussion of some of our mutual problems. You will be specially interested in reading about the variety of obstacles met by State Regents in chapter organization and others cited as causes of disbandment. After reading about these, I was more than grateful for your earnest attempts to overcome the difficulties you encountered and your willingness to keep trying.

Your Organizing Secretary General has enjoyed to the full several trips to the East, Northeast, South and Southwest this summer which included visits to Nashville, Tennessee; Dallas, Texas; Tamassee, South Carolina; Harris-
The Historian General, Mrs. Donald Spicer, read her report.

**Report of Historian General**

There was no lull in the activity in the office of the Historian General during the summer. Two college girls were employed temporarily, who proved to be excellent (and interested) workers. With their help it was possible for the list of 6,592 marked graves of Revolutionary Soldiers and Patriots to be prepared for the Magazine, and to make great progress in the Americana Collection project without neglecting any of the usual routines. Publication of the grave records began with this month’s issue, which listed the “A’s.” Already we have had comments, additional names and questions. As of the first of September, the master catalogue number of the Americana Collection reached was 2,299. Since four or five cards are made for each accession number, this means that approximately ten thousand cards have been typed since the beginning of this administration.

We have also installed a new cabinet which allows complete separation of the Americana Collection from the Archives of the Society. This will facilitate the cataloguing and filing of the latter records, when we reach that point. The value of our Collection and the necessity for the completion of its cataloguing and indexing became increasingly apparent. This was clearly illustrated when Dr. Herbert A. Crosman of Queens College, New York came to Washington to research material on Robert Morris. There had been correspondence with him on the subject, so that he knew what he would find, and where. He spent several hours studying reading by hand, our documents for a book the college is to publish. He was very complimentary, and will give us a credit line.

Since March 1, and until September 1, orders were filled for over 10,000 certificates, stickers, posters and spot announcements; and for nearly 2,000 medals. This is an “off” season; 530 permission to mark letters were written, most of them for members’ graves; 196 markers were reported as placed.

Some of the markers reported were of more than usual interest, and will be reported in detail for the next Proceedings. One, however, which was the inspiration for one of our projects was that of placing a beautiful plaque on the grave of Mrs. Edwin Clarke Gregory, first Vice Regent of the North Carolina State Society. Her’s was a very impressive record and the ceremony of commemoration was most fitting. It was a privilege to have been present.

An article appearing in the current issue of the Magazine on The Madonna of the Trail by Helen Bartlett of the Samuel Huntington Chapter, Ind., represents a joint effort of our staff with the author. Helen Bartlett is Mrs. Morris, and her questions in regard to details on the Madonnas were among those which inspired the survey made on them last year. Mrs. Morris came into the office in April and by combining her material with ours we have a complete study on the statues. Copies of the Magazine were sent to all non-DAR who had written us about the Madonna.

This issue of the Magazine also carries the winning essays in the American History Month Contest. Each child received a copy, of course. We felt that having the essays in this issue instead of waiting for the February issue would be more helpful to the members promoting the Contest.

Accessions were few in number, but quite valuable. An autograph Album of Mrs. Esther Franklin Headley Keeler, containing the signature of Belva A. Lockwood, who was a candidate for the Presidency of the United States in 1884 and in 1888. Presented by her daughter Mrs. Thernne V. Smith, Buford Chapter, West Virginia. A Music Roll dated 1761, belonging to Charles Grigsby Jones and his wife Winifred, of Virginia was presented by Mrs. Vernon Frederick, Member at large from Virginia through Miss Eunice Haden, Judge Lynn Chapter, District of Columbia, Susan Riviere Hetzel Chapter of the District of Columbia, presented for the Archives, documents from the family papers of Miss Hetzel, who held National Number 13 in the Society. Papers and effects belonging to or pertaining to Mrs. Ellen Hardin Walworth, which appear to refer in greater part to the early Magazines, were presented by Saratoga
Chapter in memory of Mrs. Walter Britten, Past Regent, through Mrs. James Edward Clyde, New York State Regent. A commemorative medal—The Central Pacific and Union Pacific Railroads linking the Nation—issued by United States Gold Spike Centennial Celebration Commission, was presented by Mrs. Franklin David Maughan, State Regent of Utah. Commission of Stephen Fisher, Jr., as Captain in the 43rd Regiment of the Militia of Kentucky. Signed by James Garrard, Kentucky's second Governor. Dated 29th day of October 1802. Given by Miss Mary Fisher to Mrs. J. B. Beauchamp who presented it through St. Asaph Chapter of Danville, the Kentucky Society and Mrs. Wilson Evans; State Regent. A Deed transferring from George Streets to William Ball a tract of land called "Ball's Grove," located in the County of Northumberland and signed by B. Franklin as President of The Supreme Executive Council of the Commonwealth of Pennsylvania. Dated 20th day of June 1786. Lease of property between John Hayes and William Ball, located in County of Philadelphia. Dated 29th day of June 1770. Both documents presented by Mrs. Mary Bishop Peabody, Peterborough Chapter, New Hampshire through Mrs. Nile Eugene Faust, Treasurer General, NSDAR. (Note: The donor notes that William Ball mentioned in these two documents was a member of the same family to which Mary Ball Washington belonged.)

ELEANOR W. SPICER, Historian General.

The Librarian General, Mrs. George Sprague Toman III, read her report.

Report of Librarian General

Your DAR Library continues to be a popular place for visitors to seek elusive ancestors and do research on family histories. Over 500 visitors a month use our Library. The summer was a busy one for the staff. They are to be commended in keeping up with a large correspondence and in serving our visitors. There was no rest for the weary this summer.

In July a genealogical class of 29 students from the American University spent the day in the Library and we are looking forward to another class from the Genealogical Committee of the Western Reserve Historical Society, visiting with us later this month.

The first State to complete their list of requested books was Connecticut with West Virginia second. May I ask that you inform your State Librarian that any question pertaining to the request list should be directed to the Library Office as I do not have that information available at my disposal.

I wish to thank the States that have sent me their yearbooks and State News. They make for interesting reading. Three additional cabinets to be used for the family charts and a Recordak Film Reader have been purchased. These were made possible by a gift from Mrs. Owen Scott Lee of Kentucky in honor of Miss Marcy Day Mullins of Texas.

Fifteen books have been purchased from funds available to the Librarian General and are included in the following acquisitions received since the Board Meeting in April comprising 273 books, 168 pamphlets and 22 manuscripts.

BOOKS

ALABAMA

History of Morgan County, 1840-1920. James J. C. Blanco. 1964. From the compiler through Pickens Chapter.

ARIZONA

CALIFORNIA

From California DAR: the following 2 books:

COLORADO

CONNECTICUT

Following 5 books from Connecticut DAR:

DELAWARE

Humphrey Family of Yarmouth and North Yarmouth, Me. J. J. Humphrey. 1881.

DISTRICT OF COLUMBIA

Following 10 books from Mrs. J. W. Harrill through Mary Washington Chapter:

FLORIDA

Leach Genealogy. Owen G. Leach. 1968. From Mrs. Owen G. Leach, Jr.

GEORGIA

HISTORIC AMERICAN BUILDINGS SURVEY AND HISTORIC AMERICAN LANDSCAPES. Emily Gray Knapp, editor.1963. From Louisiana DAR.

I wish to express the interest shown in the effort to make our DAR Library the finest in the country, especially the Texas Organization for securing the "Historical and Biographical Memoirs of the Taylor and Allied Families" by Bill N. Taylor a most valuable genealogical work.

Your Librarian General has prepared letters for the summer packet giving details pertaining to the Library, the list of requested books for each State and the questionnaire. It was her privilege to bring greetings on DAR Day at Hillside School for Boys, to attend the DAR Vesper Services at the Cathedral of the Pines, Ridgde, New Hampshire, the seventy-third State Conference of the New York Organiza-

Our continuing drive is for the air conditioning of the Museum Gallery, but we are very pleased to report that there have been a number of fine additions to our collection. Mrs. James A. Vaughan, one of our chief benefactors, is donating glass cases to house the Early American glass, which she and her mother collected over the years. These cases will balance those previously given by her for a silver collection.

There is not time at this meeting to incorporate into this report all the items which have been accessioned, but I will mention a few. Incidentally, a word of explanation—until an article has been given a number officially listing it as an accession, it will not appear in the list published in the magazine. Articles brought in during Continental Congress, or just before, do not appear in the April list, as this is such a busy time for Mr. Cato. These items appear in the October list, so please bear with us.

Mrs. James Thornton, who has been very generous, donated several interesting items which have previously been on loan, including an early 19th Century portrait of an ancestor. She gave this in memory of her mother, Mrs. Samuel Hawkes of the Abigail Bartlolemow Chapter of Florida.

From Georgia, came a rare lyre back chair, circa 1798. The donor is Mrs. Nicie Miller Burgess and it was given in honor of Mrs. Sam Fain, Regent of the Lyman Hall Chapter. Mrs. Wilbur West of the Port Huron Chapter in Michigan gave a silver shoe buckle with a history of having been worn by General George Washington.

From Ohio, a Sheraton looking glass was given by Mrs. Cornelius DeForest of the Cincinnati Chapter in honor of the Curator General, and Miss Amanda Thomas gave a painting of her great-great aunt as a child of eleven, in memory of her mother, Mrs. Preston E. Thomas, who was a member of Ann Simpson Davis Chapter.

The Germantown Chapter of Pennsylvania gave six 1820 American side chairs, and Mrs. Robert Templin of the Chester County Chapter gave a rare American silver ladle made by Thomas Shields of Philadelphia and owned by Richard Templin.

Mrs. M. G. Barrows of the John Alexander Chapter of Virginia gave a fine 18th Century cylinder fall desk.

Mrs. James Phillips of the Pack Horse Ford Chapter of West Virginia has given a Chinese Export Porcelain bowl, circa 1780, and a pair of air twist American wine glasses, circa 1750, and for the banquet hall, a cut glass bowl. Also from West Virginia, Mrs. James M. Cain of Buford Chapter gave a handsome punch bowl of silver on copper, and Col. William C. Rogers, through Miss Virginia Rosser of the John Donalson Chapter of the District of Columbia, gave an elaborate table centerpiece of mid-19th Century German porcelain, in memory of his aunt, Miss Harriet Rogers.

A number of books have been purchased for our Museum Reference Library. A list is being prepared which will give the names and prices of these books, so that members desiring to donate the purchase price may have their names inscribed therein as donor. These may also be used as memorial gifts.

We regret that we must tell you that an error was made in the figures given for your Curator General’s report in April, and instead of $42,925.35 in the air conditioning fund, we had only $29,683.34. This was naturally a disappointment. It was corrected in the Proceedings, but unfortunately, appeared in the Magazine.

Please go to see the State Rooms while you are here. You will find changes in several of them and we are sure you will be pleased. The Texas State Room has a lovely early 19th Century chandelier, purchased at their request by Mr. Johnson when he was in France last spring. Please see Miss Prudence Denny’s portrait in the Ohio Room, as

ANNA RUTH KIETZMAN,
Curator General.

In the absence of the Reporter General to the Smithsonian Institution, Mrs. Lawrence Russell Andrus, her report was read by the Recording Secretary General, Mrs. Howland.

Report of Reporter General to the Smithsonian Institution

Part IV of the Seventy-second Report of the National Society of the Daughters of the American Revolution to the Smithsonian Institution has been completed. This section consists of the located grave records of Revolutionary Soldiers as submitted by the State Historians.

It is with regret that I report that Miss Lena Ralston who was for many years a valued and an efficient worker on these records, moved away last June but before she left she trained Mrs. Linda Walker of the Historian General’s staff to carry on this work.

In checking the records she found that of the 347 names submitted only 193 were new ones; 140 had previously been reported; 14 could not be printed because of insufficient data.

The reports of the State Regents and some of the National Chairmen have been edited and retyped.

The Sixty-ninth Report has been delivered and may now be purchased from the Corresponding Secretary General’s office.

It was my privilege to visit St. Mary’s School for its Indian Seminar.

MARGARET M. ANDRUS,
Reporte General to the Smithsonian Institution.

Miss Dorothy V. Smith, Chairman of the DAR Magazine Committee, read her report.

Report of DAR Magazine Committee

The Magazine continues to grow as well as to reach its selfmade goals.

Prior to Congress, chapter subscription lists went to all Regents for checking. This earlier mailing date, according to comment received, was of even greater help to Chapter Magazine Chairmen than last year.

In June a mailing went to all Regents as well as to State Magazine Chairmen with details of the new Magazine Subscription Sweepstakes Contest, along with subscription blanks and instructions when submitting all reports and articles for publication in the Magazine.

An excellent response to a special letter from the National Chairman urging immediate action by 883 lapsed subscribers, who had neglected to renew in May, was not only gratifying but has saved the usual large end-of-summer back-issue mailing for our small staff to handle.

The new subscription total for the past five months is 2119; renewals for the same period: 11,810; and the financial increase 5.4 percent. The monthly September figure shows an 11 percent financial increase over September 1968.

At the request of the Historian General the list of 6592 marked Revolutionary graves is now being printed in the Magazine.

Along with the promotion of the Magazine, the New York State Magazine Chairman, Mrs. Arnold H. Barben, is especially to be commended for preparing a delightful program of color slides covering the 77-year-old story of the Magazine which she generously is sharing with other State Magazine Chairman for programs.

In the promotion of Christmas Gift Magazine Subscriptions a bonus gift will accompany the gift-announcing card. For chapter credit the chapter name must always accompany any subscription—new or renewal.

Two of the Magazine Staff are taking a home study course for computer operation.

The new department FROM COVER TO COVER continues to gather favorable comment.

The Magazine covers used during the months included in this report have been unusual and varied. Three successive issues featured our Country’s flag. The 50 flags around the Washington monument lowered at halfstaff on the death of General Eisenhower; the 15-starred flag being raised at Fort McHenry; and the flag deployed on the surface of the moon. The October issue, honoring the National Society’s Four Founders, uses a new photographic dimension: extreme magnification from a color negative resulting in a presentation similar to French Impressionist painting. It should be noted that the photographer of this new method, Mr. Marshall Hirsch, did this difficult work for the Magazine gratis.
Also of note in the October issue is the cartoon especially drawn by Al Capp for the NSDAR; and the change of masthead and contents page and new headings for the National Defense, National Parliamnetarian and Genealogical Departments, etc. These headings were done by a new member of the Magazine Staff, Miss Elizabeth Howe. Another new feature is "From the Mail Bag of the National Membership Commission."

DOROTHY V. SMITH,
Chairman.

Mrs. Frank L. Harris, Chairman, read the report of the DAR Magazine Advertising Committee.

Report of DAR Magazine Advertising Committee

The period from May 1969-November 1969 represents a joint effort of the National Vice Chairmen, State Chairmen, Chapter Chairmen and National Chairman of the DAR Magazine Advertising Committee.

The National Chairman's kit of advertising materials with information and the revised brochure was mailed to all Chapter Regents, State Chairmen, State Regents and National Vice Chairmen, thus giving all the opportunity to plan their DAR Magazine advertising over the summer months for the June-July, August-September and October issues.

In July a reminder was sent to the State Regents asking them to put an all-out effort to have at least one ad in the October issue from their State. We had hoped to have 100% State participation for the Founders Issue but 15 States did not participate which left 36 States sending in ads. The advertising committee greatly appreciates this effort made by the States during the summer months. The revenue from the ads for this issue exceeded that of last year. Texas won the $25 prize again this year making Texas a three-year consecutive winner. Also the States Idaho, New Mexico and Wyoming had 100% chapter participation in the Founders issue. It is hoped next October we will have all States submitting at least one ad for the October issue.

Once more we remind the State Chairmen of DAR Magazine Advertising Committee of the deadline for advertisements—the 5th day of the 2nd month before publication, a reminder that all checks for ads be made payable to the Treasurer General, NSDAR and mailed directly to the Magazine Office. This saves time and postage by not sending advertising to the National Chairman.

When cooperative ads are necessary, send only one check to cover the full cost and indicate the person to whom the commission is to be paid, listing contributing chapters and the amount paid by each.

The Committee emphasizes that typewritten or clearly printed copy of the advertisement exactly as the advertiser wishes it to appear in the Magazine be sent keeping in mind the space paid for and that the ad must fit in the measured space.

The Committee recommends that all ads requiring more than one color be referred to the Advertising Office regarding the cost.

At the joint meeting of DAR Magazine and Advertising Chairmen Wednesday, October 8, State Regents were given a list of prospective advertisers in their State and a reminder of the month for advertisements in their particular State.

- Tennessee $325.00
- Texas $1,150.00
- Virginia $1,150.00
- Washington $1,150.00
- Wyoming $6,721.00
- **Total** $22,917.50

Total amount of revenue received was $22,917.50, a total of $818 more than the same period last year. Commissions paid May through October—$1,527.39.

FLORENCE C. HARRIS,
Chairman.

Miss Amanda A. Thomas, Chairman of the DAR School Committee, read her report.

Report of DAR School Committee

DAR Schools are flourishing as indicated by this year's enrollments. Kate Duncan Smith DAR School has 803 students who come each school day by bus. Some students leave early each morning by bus to attend classes at the Technical High School and these students are returned to KDS before lunch to attend classes in basic subjects in the afternoon. March 1 through August 31, 1969, Kate Duncan Smith DAR School received $5,419.03 from State Organizations and $5,000.00, the appropriation of our National Society.

Our National Project is the Classroom Building Fund at Kate Duncan Smith DAR School. Our Society is faced with building additional classrooms or eliminate either the elementary or high school classes. DAR certainly never would take such a backward step. We had hoped to acquire the funds for the classroom construction from a non-DAR source, but we know now DAR must supply the needed funds. Encouragement has come from promised gifts. Our Junior Membership Committee will underwrite the cost of the new library and pledges have been made toward building the classrooms. It may help in interesting chapters and individual members to announce that the cost of the building is estimated at $13.50 per square foot.

Tamassee DAR School, too, has started a busy school year. The student body has been described as unusually good; 185 boarding students are enrolled, while 234 students, the combined number of boarding students and those who come in by bus each school day are in the elementary classes; 109 children come in by bus each school day and 60 attend the Tamassee Salem High Shool.

From March 1, 1969 through August 31, 1969 Tamassee
received $13,769.25 from State Organizations and $5,000.00, the appropriation of our National Society.

The Tamasee DAR School and Kate Duncan Smith DAR School need contributions to the General Fund, from which such items as food, heat, light, and repairs are paid. Good used clothing continue to be needed for the sales rooms, and other items such as costume jewelry, curtains, draperies, dishes and cooking utensils are in demand.

Our DAR membership needs to be informed of the vastness of the Society's investment in our school program. The accomplishments of the past and present attest to the greatness of our organization. The demands of our schools in the interest of fine young people are increasing; and costs are rising.

We are engaged in a wonderful valid program because we are helping young people to help themselves.

AMANDA A. THOMAS, Chairman.

The Recording Secretary General, Mrs. Howland, read the following recommendations of the Executive Committee and moved their adoption:

That a new pin be authorized for the following committees: DAR Speakers Staff and Junior Membership. Seconded by Mrs. Dick.

Mrs. Kietzman moved to amend the motion to read: That a new pin be authorized for the following committees: DAR Speakers Staff and for the State Outstanding Junior Member. Seconded by Mrs. Tolman. Adopted. The motion was adopted as amended.

That a nursing scholarship in the amount of $200 be granted Miss Marion Whalen of Baytown, Texas, to be appropriated from the Caroline E. Holt Educational Fund. Seconded by Mrs. Dick. Adopted.

That a request for renewal of a nursing scholarship in the amount of $200 be granted Miss Sharlyn B. Laas of Denton, Texas, to be appropriated from the Caroline E. Holt Educational Fund. Seconded by Mrs. Parr. Adopted.

That the Office of Registrar General be authorized to sell photostatic copies of application papers and supplementals to Official Registrars and Official Genealogists of the Sons of the American Revolution and to Official Registrars of the Sons of the Revolution without requiring written permission from the member, provided no written request to close such papers of a still active member is on file in the Office of the Registrar General. Seconded by Mrs. Williams. Adopted.

Mrs. George W. S. Musgrave, Chairman of the Revision of Bylaws Committee, read the report of the committee.

Report of Revision of Bylaws Committee

Since April two proposals for amendment to the Bylaws of the National Society have been considered by the Committee through correspondence, as it was not feasible to call for attendance at a meeting.

The first is to give to an Executive Officer a voice and vote in the Continental Congress after serving a term in office, provided that she remains in good standing in a Chapter.

This is deemed equitable since an Executive Officer necessarily gives "valuable service to the National Society" and there is no office open to her such as to a past Vice President General who has given "valuable service to the National Society." Article V, Section 6.

The second proposal would permit a Chapter burdened with a large number of duplicate application papers of former members to dispose of such papers provided that index files are maintained containing essential data concerning the former member and her ancestor or ancestors.

Therefore the following is presented for your consideration for submission to the Congress:

Article V—Officers. Section 2.

Designate present paragraph in Section 2 as Section 2 (a) Amend Article V, Section 2 by adding a new paragraph as Section 2 (b)

"A past National Executive Officer, elected by Continental Congress and having served a term as set forth in Section 2 (a), who is in good standing in a chapter may, after registering, be recognized as a voting member at Continental Congress or any special meeting of the National Society."

Article VIII—Meetings of the National Society. Section 2.

Amend by striking out "and" before "the honorary officers," and inserting after "the honorary officers," and past National Executive Officers, before "of the National Society."

If the above proposed amendment is adopted, the said Section will read as follows:

Section 2. The voting members at the Continental Congress or at any special meeting of the National Society shall be the Officers, the Honorary Officers and past National Executive Officers of the National Society; the State Regent, or in her absence the State Vice Regent, of each State, the District of Columbia, and of any country geographically outside the United States; and the Regent or, in her absence, the first Vice Regent or alternate, and the other delegates or alternates of each chapter in the United States and other countries, in accordance with paid membership as required by these bylaws.

Article XI—Fees and Dues. Section 15 (a)

Amend by inserting after Honorary National Officers and before State Regents, "past National Executive Officers."

If the above proposed amendment is adopted, the said Section (a) will read as follows:

Section 15 (a). National Officers, Honorary National Officers, past National Executive Officers, State Regents, Chapter Regents, and other delegates and alternates shall pay a registration fee of five dollars when registering for the Continental Congress.

Article XIII—Chapters. Section 9

Amend entire Section by substituting the following:

(a) The application papers of an applicant through a chapter shall be signed by the Chapter Regent and Chapter Registrar before being forwarded to the Treasurer General. The Chapter shall maintain a file of the duplicate application papers received when the member is admitted.

(b) Chapters may dispose of the duplicate application papers of members deceased, dropped for nonpayment of dues, or resigned, after a lapse of two years, provided a card index file is maintained showing name, last address while a member, name of ancestor, date of acceptance into the chapter, date of termination of membership and cause.

(c) A chapter may charge an amount not to exceed that required by the National Society for copy of an application paper.

Article XIII—Chapters. Section 13

Amend by striking out next to last sentence of paragraph, "For transfer to a chapter, transfer card shall be accompanied by a copy of the member's application paper", and substituting the following:

Upon transfer out of the chapter, the duplicate application paper may be sent with the transfer card, provided that a record is kept showing name, last address while a
member, name of ancestor, date of acceptance into the chapter, date of transfer, name of chapter and State to which transferred. Should duplicate or copies be kept, disposition may be made after two years, as herein provided.

ANNE S. MUSGRAVE, Chairman.

Mrs. Kietzman moved to refer the following amendment to Continental Congress: Article V, designate present paragraph in Section 2 as Section 2 (a).

Amend Article V, Section 2 by adding a new paragraph as Section 2 (b): A past national executive officer elected by Continental Congress and having served a term as set forth in Section 2 (a), who is in good standing in a chapter, may, after registering, be recognized as a voting member at Continental Congress or any special meeting of the National Society. Seconded by Mrs. LaMack. Adopted.

The meeting recessed at 12:20 p.m.

The meeting reconvened at 1:55 p.m., the President General, Mrs. Seimes, presiding.

Having voted on the prevailing side, Mrs. Dwayer moved to reconsider the vote on the motion approved before lunch to give past national executive officers a vote and the related motion to conform to the Bylaws, which is Article VIII. Seconded by Mrs. Evans and the motion to reconsider was adopted.

Following reconsideration, the motion to amend Article V, Section 2 was carried, with the President General voting in the affirmative to break the tie vote.

The Recording Secretary General, Mrs. Howland, moved to submit to Continental Congress the following proposed amendments to the Bylaws:

To amend Article VIII, Section 2, by striking out “and” before “the honorary officers” and inserting after “honorary officers”, and past national executive officers, before “of the National Society.” Seconded by Mrs. Spicer. Adopted.

To amend Article XI, Section 15(a) by inserting after “honorary national officers” and before “state regents”, past national executive officers. Seconded by Mrs. Kietzman. Adopted.

Mrs. Shelby moved the following amendments:

To amend Article XIII, Section 9 by substituting the following:

(a) The application papers of an applicant through a chapter shall be signed by the chapter regent and chapter registrar before being forwarded to the Treasurer General. The chapter shall maintain a file of the duplicate application papers received when the member is admitted.

(b) Chapters may dispose of the duplicate application papers of members deceased, dropped for nonpayment of dues or resigned after a lapse of two years, provided a card index file is maintained showing name, last address while a member, name of ancestor, date of acceptance into the chapter, date of termination of membership and cause.

(c) A chapter may charge an amount not to exceed that required by the National Society for copy of an application paper. Seconded by Mrs. Walter Johnson. Adopted.

Amend Article XIII, Section 13, by striking out next to the last sentence of paragraph “For transfer to a chapter, transfer card shall be accompanied by a copy of the member's application paper” and substituting the following: Upon transfer out of the chapter, the duplicate application paper may be sent with the transfer card, provided that a record is kept showing name, last address while a member, name of ancestor, date of acceptance into the chapter, date of transfer, name of chapter and State to which transferred. Should duplicate or copies be kept, disposition may be made after two years, as herein provided. Seconded by Mrs. Kietzman. Adopted.

The Registrar General, Mrs. Shelby, read her supplemental report.

Supplemental Report of Registrar General

Application verified, 1. PATRICIA W. SHELBY, Registrar General.

Mrs. Shelby moved that the one applicant whose record has been verified by the Registrar General be elected to membership in the National Society. Seconded by Mrs. Tolman. Adopted.

The Organizing Secretary General, Mrs. Barnes, read her supplemental report.

Supplemental Report of Organizing Secretary General

The following chapters have met all requirements according to the Bylaws and are now presented for confirmation: Paracifita, DeQueen, Arkansas; John Houlton, Auburn, Indiana; Antoine Rivarre, Decatur, Indiana; Four Winds, Garnett, Kansas; Marguerite McNair, Raytown, Missouri; John Griffith, Savannah, Missouri; Flat Rock, Westville, South Carolina; Ensign Thomas Huling, Killean, Texas; Thomas J. Rusk, Henderson, Texas; Oconomowoc, Oconomowoc, Wisconsin.

ELIZABETH C. BARNES, Organizing Secretary General.

Mrs. Barnes moved the confirmation of ten chapters, provided the necessary telegrams are sent by four-thirty from the place of origin. Seconded by Mrs. Williams, Mrs. Finks, Mrs. Rogers, Mrs. Wheeler, Mrs. Woolley, Mrs. Lempenau and Mrs. McCray. Adopted.

Mrs. Faust moved that one former member be reinstated. Seconded by Mrs. Walz. Adopted.

Announcements were made regarding the School Bus Tour.

The benediction was given by the Chaplain General. Mrs. Killey, and the meeting adjourned at 3:30 p.m.

MARJORIE S. HOWLAND, Recording Secretary General.

When this book was originally published in 1914, the author was Chief of the Music Division of the Library of Congress. The current work is a revision and enlargement of a Report that he wrote on the origin of the poem and the music of "The Star-Spangled Banner."

In this history of our national song, the first published account of which appeared on September 20, 1814 (one week after the bombardment of Fort McHenry during the night of September 13-14), the author notes that Francis Scott Key's poem appeared without a title, but that the music was indicated as "Tune: Anacreon in Heaven." Anacreon was a poet of ancient Greece, noted for his wit. In the late 1700's, a club called The Anacreontic Society flourished in London. And in 1778 the text of "To Anacreon in Heaven," written by Ralph Tomlinson, appeared in The Vocal Magazine published in London. In 1778 the author notes: "It took two wars, first the Civil War and, some 30 years later, the Spanish War, to crowd other national songs into the background in favor of 'The Star-Spangled Banner.'"

The editor points out in his Foreword that the books are primarily research tools for students. But the facts compiled in the compact form followed in this series would be a helpful reference aid to students of American history of all ages, whether the study is confined to one President only or covers the careers of several.

This beautiful illustrated catalog, issued by the Department of the Treasury, is a numismatic "first." During Thomas Jefferson's administration, the Mint struck silver shells bearing the President's likeness for presentation to Indian chiefs. From this beginning, the present official Presidential Medal Series evolved. Later, the series of medals of Treasury Secretaries were added. The Army and Navy series, which started with the Revolutionary War, honor military and naval heroes. All are included in this catalog, which ends with a "Miscellaneous" section devoted to medals marking special occasions and honoring civilians. Numismatists, artists, historians and coin collectors would all find this catalog of interest.

Members and friends of Santa Monica Chapter, present at the dedication of a marker, placed at the base of the giant MORETON BAY FIG TREE in the patio of the Miramar Hotel in Santa Monica, California. This tree was planted by Senator John P. Jones in 1879 in the garden of his home.

Presented by Santa Monica Chapter and friends in honor of

Mrs. Fredric W. McCasy
Regent of Santa Monica Chapter
Mrs. Thomas Vernon Coffee, Regent of the California State Society, NSDAR unveils the Marker placed on the grave of Frances Gresham Hammond, daughter and granddaughter of Revolutionary Soldiers. Assisting in the dedication were Miss Martha Carolyn Galt, great grand niece (member of the Fielding Lewis Chapter of Georgia) and Master Odis Galt III, great great great grand nephew of Frances Gresham Hammond.

Frances Gresham Hammond was born in Virginia February 6, 1798; she married John Boyd Hammond in 1819 and came to California in 1852 with the wagon train of Captain Andrew Cathy, mined for two years at Agua Fria and Carson Town and then settled in Catheys Valley. She died December 7, 1876, leaving two sons and four daughters.

Mrs. Lowell Traxler Bondshu, Regent of the Mariposa Chapter, did the research and planned the Program of June 21, 1969 held at Catheys Valley Cemetery. Many Californians traveled hundreds of miles to attend the ceremony including the State Officers.

hosted state conferences held in Bloomington in 1898, 1915 and 1928. Chapter membership in 244 of which 14 are 50 year members.—Ruth Bitting Hamm

REBECCA CORNELL (Rahway, N.J.) dedicated the new bronze plaques on the stones of Abraham Clark, signer of the Declaration of Independence, and his wife Rachel, in the Rahway Cemetery, St. Georges Avenue, on Monday, December 15, 1968.

Those taking part in the dedication were Regent Mrs. Lyle Cooper; Mrs. Frank Henson; the Rev. Eugene Ebert of the First Presbyterian Church and Mayor John Marsh.

A "Tea" followed at the Girl Scout House with Mrs. Cooper chairman, assisted by Mrs. W. A. Milbury; Mrs. Nicholas Buroff; Mrs. Donald C. Fagans; Mrs. Kenneth Freeman; Mrs. Earl Hoffman; Mrs. J. Nelson Smith; Mrs. L. E. Walker; Miss Helen Wright; and Mrs. William L. Rand.

Honors went to Mrs. Walter Orvis for having the longest membership.

Mrs. Richard Cookman Hnatt of New Vernon, N.J., great-great granddaughter of Amos Clark, brother of Abraham Clark, was an honored guest.

Rich Gourmet Fruit from Santa Clara Valley. Frank and Emilie Antelline, owners of Antelline's Fruit Bazaar in Solana Beach, California have been advertisers in the DAR Magazine four years.

These fruits are not ordinary dried fruits. They are delicious and tender confections. The fruit is grown on trees in their orchards in the fertile soil of Santa Clara Valley. Frank and Emilie have their own secret method for processing the fruit. For this reason they can unconditionally guarantee every delivery.

These sun-ripened fruits are hand-selected and handpacked by the Antelline family in beautiful, gay colored packages that make a perfect gift for family friends or clients.

The Antellines give De Anza Chapter DAR a commission on all sales derived from their ads in the DAR Magazine, which is used for Scholarships to Crossnore Schools.

Write for their Catalog and when you place your order be sure to mention the Ad in the Magazine.

DECEMBER 1969
THE OROVILLE DAM AND LAKE OROVILLE—NEW COLOSSUS OF CALIFORNIA'S FABULOUS FEATHER RIVER WATERLAND

Towering in mighty majestic mass and height just below the confluence of forks and branches of the Feather River threading in deep, spectacular canyons through California's northern Sierra Mountains, is the recently completed Oroville Dam. Its location is at Oroville, California, 184 miles north of San Francisco. The dam's 770 foot height makes it the highest dam in the U.S. and the highest earth-filled dam in the world. Involving the largest earthmoving venture in history, all of Egypt's pyramids could easily fit into the 180,000,000-ton bulk of this dam. Construction represented the greatest civilian contract ever let.

TWIN SPECTACULAR—LAKE OROVILLE

Now at maximum height behind the dam is Lake Oroville, 167 miles of shoreline—the largest jewel among a multitude of smaller lakes and rushing rivers and streams in the great "waterland" of the Feather River watershed. Arms of the lake reach into rugged canyons of the Sierra suggestive of Norwegian fiords with walls reaching up hundreds of feet to offer spectacularly beautiful scenery and settings for water recreation, including year-round fishing. Added to the great fish population emanating from forks and branches of the Feather River have been plantings of hundreds of thousands of trout, bass and other species.

Feather Falls, third highest falls in the U.S., 640 foot drop, previously reached only by an arduous hike, can now be seen from the Middle Fork arm. The Middle Fork canyon beyond the lake with its rushing white waters for 50 miles, which no boating expedition has ever been able to conquer, has been declared a natural primitive area. Its walls tower up to 5,000 feet at points. Other Feather River watershed canyons traversable by roads, including the renowned Feather River Highway, offer almost as spectacular scenery and recreation attractions.
The Oroville Dam and spillway in the foreground is the highest dam in the U. S. and the highest reservoir embankment in the world, a part of $490,000,000 project at Oroville, California, and key unit of history's greatest water development, the 2.8 billion dollar California Water Plan. The latter will stretch 600 miles south to near California's border with Mexico. Deep in the canyon wall adjoining the right abutment of the dam, housed in a cavern excavation so huge it could accommodate the California Capitol building—dome and all—is a mammoth power house. A fish barrier dam below the Oroville Dam and the world's largest fish hatchery for salmon and steelhead are among other phases of the Oroville, California Water Plan Unit.

In the left foreground is a part of a vast parking area interconnected with State of California operated boat ramps, one of several recreation areas around the 167 miles of shoreline of Lake Oroville. Spectacular scenery, especially in canyon arms, abound around the lake. The third highest falls in the U. S., Feather Falls, 640 foot drop, can be seen from the end of the lake's Middle Fork (Feather River) canyon arm.

El Molino Vieja, San Marino’s oldest and most historic building, the first grist mill in California, was built by the Mission Indians, under the supervision of the padres, about 1816. The lower walls and foundation were built of volcanic rock and the upper walls and water chambers of hand made adobe bricks. The roof is tile over timbered beams cut from the San Gabriel Mts. In 1833 the Mexican government took over the Mission Lands and at the close of the Mexican era the Land Commission took title. For the next 20 years the Old Mill was used as a residence. In 1903 the ranch was purchased for a hotel and the mill was used as a club house. Later it was included in the Historic Bldg. Survey and a certificate awarded. It has been maintained and preserved as a historical monument since 1962 when it was deeded to the City of San Marino.

MAJOR GENERAL, RET. and MRS. LEROY H. WATSON

PRESENTED WITH PRIDE AND AFFECTION BY
THE BEVERLY HILLS CHAPTER
BEVERLY HILLS, CALIFORNIA

DECEMBER 1969
JEDEDIAH STRONG SMITH

Jedediah Strong Smith, California Pathfinder, was one of the fur trappers who in 1827 broke trails through the Sierra Nevada Mountains. He was the first white man to cross from the Mississippi to the Pacific. Smith was born in New York State in 1799 and was a direct descendant of Robert Bascom, a Huguenot. Jedediah Smith was killed by Comanche Indians on May 27, 1830 while searching for water for his men in an area which is now Kansas.

In the early 1800s, every well-dressed man in America wanted a beaver hat so good beaver skins brought handsome prices. The “Mod” fashion of the period accounts for the number of fur trappers who went west in the 1820s and 1830s into unsettled territory. Jedediah Smith and his party traveled extensively up and down California exploring and making trails.

In Pioneer Monument State Park near Salt Lake City, Utah, stands the “THIS IS THE PLACE” monument which is 60 feet high and 86 feet long. Depicted in sculpture, among a group of trappers and fur traders on one of the pylons is Jedediah Strong Smith.

In Del Norte County, California, stands the Jedediah Strong Smith Memorial Grove of Redwood Trees. A bronze tablet placed in a massive boulder near the Smith River (named for Jedediah Smith) reads: “TO JEDEDIAH STRONG SMITH, REFERRED TO AS BIBLETOTE, FIRST WHITE MAN TO CROSS FROM THE MISSISSIPPI TO THE PACIFIC, THUS STARTING THE TRAIN OF EVENTS WHICH MADE CALIFORNIA THE 31st STAR IN OUR FLAG. THIS GROVE ON THE SMITH RIVER DEDICATED TO HIS MEMORY BY MR. AND MRS. C. M. GOETHE OF SACRAMENTO AND BY THE STATE OF CALIFORNIA.”

The Oakland Museum

A four-square block complex of galleries, gardens, trees and outdoor sculpture courts, with the roof of one gallery the garden and terrace for the next. This unique Museum which interprets California's natural environment, history and art was designed to create, stimulate and nurture broad public knowledge of and interest in California's past, present and future.

The Oakland Museum's 3,000 volunteer members provided leadership in support of the original 1961 bond issue and since then has succeeded in providing over $2 million for the museum acquisitions and programs. It is located on the South end of Lake Merritt in Oakland.

BURIAL INSURANCE
FOR AGES 1 TO 90
Persons ages 1 to 90 are now eligible to register in a plan that provides funds for funeral expenses. In addition to providing funds the plan enables a person to specify funeral plans. The plan costs only a few cents a day and pays the face amount, regardless of how little has been paid. Issued by an admitted legal reserve insurer, the plan provides cash for funeral expenses at any funeral director in the world. For complete information without obligation, write Purple Shield Plan, Dept. S, P.O. Box 519, San Bernardino, Calif. 92401.

TAMPA (Tampa, Florida) followed the custom they established during the first CONSTITUTION WEEK observance by the National Society Daughters of the American Revolution by having their Annual Picnic and all-day meeting at the spacious home and lakeside lawn of Mrs. Wilson L. Baker. SAR members of the area, of whom the late Mr. Baker was a very active member, and officers and members of all Chapters of the 7th Florida District and their guests are invited. During her term of office, the State Regent attends, if possible, including our present Regent, Miss Eleanor Town. At this year’s affair we also had as special guests two state officers, Mrs. Ralph L. Longley, Historian, Miss Catherine Martin, Registrar, and Mrs. Richard H. Thompson, Jr., National vice-chairman of Lineage Research. Our very able speaker on The Constitution was Dr. John B. Dickson, Pastor of the First Presbyterian Church of Tampa.

Tampa Chapter’s activities for the year have included the re-activation of our JAC Chapter, with many visits to local historical shrines, museums and parks, under the energetic leadership of Mrs. Philip Pryryka. Our national Defense Chairman, Mrs. C. A. Ammons, for the second year presented R.O.T.C. awards to the eligible cadets at our three local High Schools having that program. Our able Good Citizens Chairman, Mrs. Judson Edwards, for the fifth year presented pins to the (Continued on page 884)
The Palace of Fine Arts, the last extant remains of the Panama Pacific International Exposition of 1915, an event held to celebrate the completion of the Panama Canal, was designed by Bernard Maybeck. The main building located behind the rotunda was used later for tennis courts, festivals and City storage. Originally constructed of nonpermanent materials, the Palace was subject to deterioration and vandalism. A restoration program became imperative and in 1957 the State Legislature appropriated $2 million providing San Francisco match the amount for the rehabilitation.

Walter S. Johnson, a public-spirited citizen, donated $2 million, local voters approved a $1.8 million bond issue, and with additional contributions the exterior was restored at a cost of $7.6 million. The great Corinthian colonnade and central rotunda with their classic statuary, urns, scroll work and friezes have been reinstated on the banks of a natural lagoon in the city’s Marina district, adjacent to the Presidio and approach to Golden Gate Bridge.

The graceful, terra cotta-colored landmark has been designated an Historical State Park and was rededicated on October 1, 1967. Mr. Johnson has recently given $256,000 towards building a 1,000-seat Theatre for the Performing Arts and contemplated is a Museum of Science and Technology with units to be constructed over a period of several years at a cost approximating $4 million.

five outstanding Good Citizens in our high schools.

The united efforts of Mrs. Walter P. Ames, Registrar, and the members of the Lineage Research and Membership committees have resulted in the addition of 16 names to our roll of members this year.—Helen Frazier Tidwell.

ST. ASAPH (Danville, Ky.). On May 17th, 1969, a dedication service was held at the original Carpenter Station, Hustonville, Ky., in memory of the three Carpenter Brothers who founded the Fort and Station in 1780.

This marker was presented to Lincoln County by the Kentucky State Historical Society and the dedication service was presented by the Logan Whitley Chapter Daughters of the American Revolution. Mr. Enos Swain, President of Kentucky Historical Society, delivered the address. Danville High School Band presented appropriate music, including "Faith of Our Fathers" and "My Old Kentucky Home."

A large crowd was there and much interest shown in love and respect for these early settlers. All three brothers served in the Revolution as well as their father who came to America prior to 1777.

Many descendants were there as far removed as the eighth generation. The unveiling of the marker was by a little girl of the eighth generation, Rebecca Ann Dorst. Following the dedication a delicious meal was served at the Hustonville Kentucky Christian Church by the members of that church, which brought to a close the "end of a perfect day."

COL. WILLIAM PRESTON (Roanoke, Va.) Grave-marking Ceremony and unveiling of monument were held Sept. 20, 1969, by Colonel William Preston Chapter to honor George Layman, Revolutionary War Patriot, at Laymantown Cemetery In Botetourt County.

The Regent, left, Mrs. Oden Dooley, had just given Welcome Address while Chapter Chaplain, Mrs. Elizabeth Johnston, right, completes invocation. A Bugler in the 90th Army Band, pre-
The University of Redlands, located in the quiet, suburban community of Redlands, California, has provided 61 years of leadership in private, liberal arts education. Memorial Chapel, spotlighted by the late afternoon sun, reflects the University's concern for the development of Christian character and leadership. The City of Redlands is also a leader, receiving an honorable mention in All American City competition last year.

Chapter Reports
(Continued from page 884)

sented “To The Colors” and Taps as many descendants of the war patriot gathered in this little cemetery in the beautiful hills of Virginia.

This soldier had foresight enough to push down into this frontier country and to purchase hundreds of acres of land for whom this community is named.

SCRANTON CITY (Scranton, Pennsylvania) celebrated its sixty-first birthday in April with a luncheon at the Town and Country Supper Club. This was a memorable occasion at which Mr. Glenn Adams of Keystone Junior College gave a timely address on world affairs and at which we were honored by the presence of our Northeastern Director, Mrs. C. Elwin Baldwin who favored us with a short message. Other guests of note included Mrs. Glenn Adams and the regents of four area chapters. Mrs. Alvy Hice, luncheon chairman, was largely responsible for the success of this outstanding event.

As the result of other chapter activities, a hemlock, the Pennsylvania state tree, was planted in Nay Aug Park; seven American history medals were awarded to winners of the American History Essay Contest; eight Good Citizen pins were presented to students of merit in our area high schools; and in the observance of “Flag Day”, two large United States flags were presented to local Scout Troops.—Martha Y. Jones.

RUFUS KING (Jamaica, N.Y.). For its 50th Birthday last year, Rufus King Chapter, NSDAR, honored one of its own members, Mrs. Edward J. Reilly, who was then N.Y. State Regent.

This year, Mrs. Reilly, now Vice President General, with other members of the chapter, enjoyed hearing the history of the first 25 years of Rufus King Chapter.

Mrs. James Dugan was Organizing Regent with 33 Charter members. The chapter was named for Rufus King: b. March 25, 1755, m. March 31, 1786, d. April 29, 1827; graduated from Harvard, 1777-age 22. He served as Aide-de-camp to Gen. Glover in 1778; delegate to Federal Convention-age 32. He was selected as one of Committee of five to “revise style of and arrange articles” agreed on for the new Constitution signer of the Constitution; appointed by President Washington in 1796 to be 1st Minister to Court of St. James.

During Mrs. Dugan's eight years of leadership, King Mansion in Jamaica, (Continued on page 901)
BOCA CIEGA CHAPTER
Daughters of the American Revolution
St. Petersburg, Florida

Boca Ciega Chapter was organized on June 14, 1947. Our membership includes two Honorary State Regents, former State and National chairmen, twelve past Regents of other chapters in and out of state, and the present National Vice Chairman, Lineage Research Committee, Southeastern Division.

In 1969 our chapter received the State Blue Ribbon and National Gold Honor Roll Awards for its active participation in the work of our beloved National Society.

Meetings are held the first Saturday of month at 10:00 a.m. in the Garden Club, 500 Sunset Drive South, overlooking beautiful Boca Ciega Bay. Visiting DAR members are always welcome.

Mrs. Mark Frame Munson
Chapter Regent

DECEMBER 1969
Christmas in the Colonies

(Continued from page 823)

that always Christmas typifies the light of the world—
the light which the primitive Indians couldn’t identify,
they only knew it was somewhere and they must reach it. And even in the midst of what seems to be world
turmoil we can be grateful that the peace and love of
the first Christmas, the Colonial Christmas, and all the
Christmases everywhere are part of all of us which can
never be taken away.

So—EVERY CHRISTMAS—
May you keep its star-shine, feel its glow,
never, never let it go.
May its hope, its song divine forever live.
May gifts more rare than gold be yours to give.
May every moment be a precious tryst
as joyfully you know the presence of the Christ.

Chapter Reports

(Continued from page 894)

home of Rufus King, was preserved for "Historic purposes"; Flag Day was observed each year by receptions with band music and speakers in King Park; a bronze tablet, honoring the local Committee of Safety 1774-1777, was placed.

The first authorized "Patriot of the Revolution" marker was placed on the grave of Elias Baylis.

In 1939, Rufus King Chapter was recipient of a very valuable parchment document—the original Dongan Charter to Jamaica of 1686. The Charter was issued by Thomas Dongan, royal Governor of New York. Lost for many years, it was discovered in a second hand shop, purchased by Harry Gertz, President of Gertz Dept. store, formally presented to Rufus King Chapter and now on display in Queensborough Public Library.

Ryser, State Registrar; Mrs. Sanford Heilner, State Historian; Mrs. Glenn A. Eaton, State Custodian; Mrs. William L. Hartmann, State Curator. Absent Mrs. Douglas A. Doyle, State Librarian.
REGISTRAR GENERAL

Q. A Supplemental Bar was ordered for my ancestor, Captain John Jones, and I was notified he was listed as a Private. Why have I not received a reply from National that he was a Captain?

A. Unless adequate and conclusive proof was filed with your application, or sent to the Office, it will require hours of research by a trained worker to determine the result. Verification of applications takes precedence over requests of this type unless proof accompanies it.

Q. On the service record for my Revolutionary ancestor is written the word “deranged”. This bothers me.

A. As customs change, styles in word meanings change. “Deranged” when used on the Revolutionary War service rolls means he had either been demoted in rank, or it was changed in some way.

ORGANIZING SECRETARY GENERAL

Q. Is a member who joined the National Society 25 or 50 years ago eligible for recognition and must service be continuous.

A. No, service need not be continuous. Eligibility for 25 or 50 year recognition is determined upon a minimum of 25 or 50 years of ACTUAL membership in the National Society, excluding years lost through resignation or being dropped from membership, and irrespective of date member was originally admitted to membership.

Q. How do chapters receive National numbers?

A. Chapters are given National Numbers only when they apply for a charter. They are numbered in the order in which they apply for a charter, and the number given the chapters in no way signifies the order in which it was received into the National Society.

NATIONAL CHAIRMAN LINEAGE RESEARCH

Q. Where can we find what Division each State is located; name and address of the National Vice Chairman in each Division, and name and address of State Chairman for Lineage Research?

A. All this information is listed in the “DAR Directory of Committees”. Order copies from the Corresponding Secretary General’s Office, 1776 D Street, N.W. Washington, D.C. 20006. Price 85¢, making check payable to the Treasurer General.

Q. How can I order a copy of the Lineage Research Kit and what is the price?

Q. Where can information be secured for holding Workshops and Seminars?

A. Write the Lineage Research Office (address above) and instructions will be sent you.

NATIONAL CHAIRMAN MEMBERSHIP

Q. If you have an elderly member who has an Administrator, should he be contacted concerning dues?

A. As she was sufficiently interested to become a DAR, it would be the courteous gesture to try to continue her membership in this manner.

Q. If you have an elderly member in a Retirement Home, whom should you contact for her dues?

A. Contact the family first; if not, then the Administrator. If not Administrator or Guardian, then see the Manager of the Home and stress the importance of keeping her DAR interest alive.

Q. Where may the Prospective Member Forms be obtained?

A. Upon request, the National Membership Chairman will send you a sample.

Our history is being published

Every day, we at The McCall Printing Company add to our long history of publishing. With printing facilities all over the country, and growing every year, we have room for you on our family tree.

THE McCALL PRINTING COMPANY

Mrs. Virginia Sherman, Mrs. John V. Buffington, State Regent, Miss Mary Anna Sanders and Mrs. Fleet G. Howland, Regent.

anniversary of the day when Lee, a native son of Westmoreland County, moved in the Continental Congress the adoption of his Resolution calling for independence from Great Britain.

When the Flag was raised to the top of a new 60 ft. flag pole, Mrs. Buffington, State Regent, led in the Pledge of Allegiance. Afterwards former Sen. Blake T. Newton gave an inspiring history of our flag, which was designed by another native son of Westmoreland County, General George Washington. The local Boy and Girl Scouts and American Legion Post 252 also participated in this patriotic event, which will long be remembered by the residents of Westmoreland County.

LEEDSTOWN RESOLUTIONS (Montross, Va.) on 4 July 1969 honored a Signer of the Declaration of Independence, Richard Henry Lee, with a Flag ceremony on the Westmoreland County Court House green. The Flag, given by Mrs. Sherman, previously flew over the U. S. Capitol on 7 June, the 193rd

(Continued from page 901)

DAUGHTERS OF THE AMERICAN REVOLUTION MAGAZINE
The membership of the DAR is many times greater than the 20,000 of the SAR, as you probably know. The Sons of the American Revolution refuses to believe that these figures indicate that American men are less patriotic than American women. We prefer to believe that our numbers are fewer because many eligibles are unaware of our existence.

The aims and principles of the SAR are quite identical to those of the DAR, so a stronger SAR automatically means an even stronger DAR. We therefore request that you bring the SAR to the attention of your qualified husbands and relatives. Descriptive material is available from the National Society, SAR, 2412 Mass. Ave. N.W., Washington, D.C. 20008.
