Dear Daughters,

April 19, 2002 marks the 226th anniversary of the Battle of Lexington and the "shot heard 'round the world." This opening battle of the American Revolution was a signal to the world that the desire for freedom was a flame not to be extinguished. The colonists struggled against impossible odds to prevail against the greatest empire of that day.

As members of the National Society Daughters of the American Revolution, we must be the keepers of the flame of independence. Our struggle is to inspire other women to accept the challenge of membership and dedicate their efforts to serving God, Home and Country. With the recent rise of patriotic fervor, women are seeking ways to express their commitment to their nation and their belief in the importance of American values.

Please share your commitment with your friends. Invite them to your chapter meetings and to your special activities. Working together, we can light the way and ensure that America will remain strong and free. Membership in NSDAR is a great opportunity to serve your community and your nation. The programs and activities of the DAR bring together the inspired talents of informed members and solutions to critical issues and needs of American society. We are proud to support schools for special needs children, programs for veterans and the preservation of countless historic homes and Revolutionary sites throughout the nation. Let us share our pride in DAR by promoting membership in this great patriotic society.

Faithfully,

Linda Tinker Watkins
President General, NSDAR

FOR THE RECORDING SECRETARY GENERAL (Ellen Lockwood Powley)

Q: I recently became a member and there was an error on my new member certificate. How do I obtain a replacement?
A: Contact the office of the Recording Secretary General at (202) 628-1776 ext. 335. Clearly state the error and the correct information, and a replacement certificate will be sent to you within two weeks.

Q: Why haven't I received my new member certificate?
A: Check to make sure the NSDAR has your correct address in their membership database. Most often, membership certificates have not been received because they were lost in the mail due to a bad address. A replacement certificate can be issued as soon as a correct address is received.

Q: How do I get a replacement for an older certificate?
A: Send the necessary information, written the way you would like it to appear on the certificate (using the form on the Members Website as a guide), along with a $10.00 check made payable to the Treasurer General, NSDAR, to the Office of the Recording Secretary General. Original stock will be used whenever possible.

FOR THE HISTORIAN GENERAL (Beverly Woodruff Jensen)

Q: What is the procedure for marking a DAR member's grave with a DAR insignia marker?
A: A permission form, pre-signed by the Organizing Secretary General, must be obtained from the Office of the Historian General. The member's Chapter Regent must then sign this form. The signed permission form should then be forwarded to one of the firms authorized to reproduce the DAR insignia, from which the member or member's representative would purchase the marker. A list of the authorized firms is available from the Historian General's Office or may be downloaded from the DAR Members Website. Once the grave has been marked, a marker report form (also available from this office) needs to be completed and the indicated section returned to us for record keeping purposes. The other section of the form should be completed and sent to the member's State Historian.

Q: When applying to mark the grave of a Revolutionary War soldier, must a member provide documentation of this soldier's Revolutionary War service if members have already joined DAR through his established line and his name is in the Patriot Index?
A: YES! Applications to mark graves of Revolutionary War soldiers, patriots, their wives and daughters are verified by a staff genealogist. Genealogists are always discovering new information about old, established family lines. In the interest of historical accuracy, application forms need to be accompanied by as much complete documentation as is available. References to the Patriot Index or DAR members' national numbers are not sufficient evidence. Primary documentation, such as pension numbers, references to a pension, copies of diaries, muster rolls, documentation associated with patriotic service, wills and contemporary obituaries are considered acceptable forms of evidence. Submission of a well-documented application expedites the verification process in the Genealogy department and therefore speeds up the whole application process.

New Acquisitions
The Friends of the Museum recently purchased a 1780–1800 Grand Plat Menage probably made at the Leeds factory in Yorkshire, England. Made of cream-colored earthenware, it is more commonly referred to as an épergne. In wealthy households of the period, where the dessert course was often a grand affair, an object like this was placed in the center of the table. The classical figure of Plenty at the top of this piece certainly alluded to the variety of sweetmeats, fruits and nuts that
would have been placed into each of the scallop shell baskets. The Grand Plat Ménage is on exhibition in the Main Gallery.

- New Museum Video Available
The DAR Museum is proud to announce its first collection video. Created by Videoart Productions and The DAR Museum, this video features more than 10 quilts and quiltmakers. Also included are interviews with the curator of textiles and scenes from the museum's ever-popular summer Quilt Camp for Kids. For more information or to order a copy of the video, please call Kathy or Carol at (202) 879-3208.

The "Ad Excellence Award" recognizes one ad in each DAR Newsletter that makes the best point of historical, patriotic or educational interest. Ads must be half page or larger, and are judged on content, creativity and execution. The winning ad is designated with a ribbon. For submitting this issue’s winning ad, congratulations go to The California State Society, District VII Daughters of the American Revolution.

National Day of Prayer
The National Day of Prayer is held annually as a reminder for Americans to pray for our country. This year, the National Day of Prayer will be observed on Thursday, May 2, 2002. The Continental Congress declared the first National Day of Prayer in 1775. In 1863, Abraham Lincoln called for such a day. In 1952, both Houses of Congress asked President Eisenhower to set aside a National Day of Prayer. In 1988, Congress drafted a bill designating the first Thursday in May as National Day of Prayer. President Reagan signed it into law on May 5, 1988. For more information on the National Day of Prayer, visit the website at www.nationaldayofprayer.org.

The 111th Continental Congress will be an exciting time as the proposed President General’s Project for the Millennium Administration will be presented and voted on by the delegates. Plans for this project focus on three areas: membership development, preservation of our genealogical data, and development of revenue sources. With the use of new computer technology, NSDAR has the opportunity and the means to preserve our treasured genealogical records, develop research support for membership growth and provide the society with increased revenue opportunities from the wise use of its many assets.

Membership development will focus on building new Chapters to provide flexibility in meeting schedules, helping to develop new Chapters in areas not currently served, offering assistance to strengthen existing Chapters, assistance in programming and offering assistance in training Chapter leadership. Organizing Chapters will be provided with a liaison to expedite the necessary paperwork and Chapter registrars will be given assistance with difficult papers.

Preservation of genealogical data will help us protect and bring our wonderful and unique resources into a more stable and user-friendly situation. All application and supplemental papers that have not been microfiched must be filmed. Our older, deteriorating applications and documents must be filmed. Older membership records that are not included in the current computer database should be added to complete an all-member index. A new and comprehensive Ancestor Database, which will aid in new members’ applications, should be built to include ancestors, children and grandchildren. Proof documents need to be scanned or digitized to allow easier access and retrieval.

Development of revenue sources brings to mind the fact that dues revenue only covers one-third of the current budget. With the wealth of genealogical resources owned by NSDAR, a master computerized index of the work of the Genealogical Records Committee should be completed for each state, and made accessible online to encourage research requests and fees for the DAR Library. The Ancestor Database would serve as a working base for the Genealogy Department, but would also provide a means of revenue from inquiries and record copies from researchers. The newly designed format and public relations approach of the DAR magazine, American Spirit, will encourage new subscriptions and will build greater revenues from corporate advertisers. The DAR Museum Shop has expanded its space facilities and product lines to develop greater revenues. A glossy new catalog has been added to enhance sales opportunities to the public, as well as to members. DAR Constitution Hall is working to attract new business and improve its rental revenues.

NSDAR stands at the threshold of a new technological age and this proposed project will help us to gain new members, preserve our genealogical treasures that have been collected for many generations, and help develop new revenue sources that will aid in keeping our organization financially strong in the future.
How to Help Your Lawyer and Yourself

Before meeting with your attorney about your estate plan, you can do some things to save time and money. Here are four tips:

1. Prepare an inventory of your estate.
   Since your estate plan will essentially direct the transfer of your assets at death, you should compile a list of all your holdings and obligations.
   - What do you own? How much is it worth?
   - Where is it located?
   - How are the various assets owned (jointly, separately, etc.)? List any memberships (country clubs, timeshares, etc.).
   - What are the beneficiary designations on your bank, brokerage and retirement accounts and your insurance policies?
   - How much do you owe and to whom?

   This will take some time and force you to get all your records in order. However, the process will be instructive for you and timesaving when your attorney begins to ask you about these things. It is easy to overlook some assets, so be as thorough as possible.

2. Select key people whom you want to involve.
   - Who do you want to oversee the probating of your estate (your personal representative)?
   - Who do you want to serve as the trustee of any trusts created by your will?
   - Who do you want to be the guardians of any minor children you might have?
   - Don’t forget about your power-of-attorney and health care documents.

   You will need not only primary names, but also back-up names in case your first choices are unable or unwilling to serve. If possible, have two additional names for each position.

   Having all of this cared for before visiting your attorney will make things easier and time-efficient.

3. Decide what to give to family and loved ones.
   This can be one of the most difficult parts of the whole process. Some people endlessly delay creating a will because this step is either too perplexing or too painful.

   There are many issues to consider. Too much inheritance may stifle personal initiative and feelings of self-worth. One child may be careless with money, another disciplined. One may have physical needs requiring extra assistance. One may be self-sufficient, another financially strapped. How much is too much? How little is too little?

   You might want to discuss this subject with a trusted friend or personal advisor. Remember, with a will you can always change your mind later. The important thing is to at least put a plan in place for now.

4. Determine your charitable bequests.
   - Which organization(s) do you want to support with gifts from your estate?

   Of course, we at DAR hope you will include the National Society in your plans. Your estate gift will make a long-term difference and will help us continue our important work in historic preservation, education and promoting patriotism well into the future.

   A charitable giving component to your estate plan can have significant meaning to your survivors and could communicate your values in a powerful way. It can also help you establish a legacy that will outlive your children and grandchildren.

   Our development director, Merry Ann T. Wright, can be of tremendous service in helping you integrate your giving goals with your overall estate plan. She also can help you prepare to visit your attorney. You can reach her at (202) 879-3343 or by using the response form below.

Chapter Revitalization Committee

Membership in the DAR is a rewarding experience. But if your Chapter is in danger of having to merge or disband, it can be discouraging. The Chapter Revitalization Committee is ready to assist all Chapters in need of guidance, program ideas, leadership training, membership growth and motivational techniques. Does your Chapter need new members? Consider the following ideas for increasing membership:

• Create a Chapter Website with a volunteer listed to answer e-mail queries about membership. Contact your State VIS Chairman to assist you.
• Place notices about meetings and programs in a local newspaper, and include a telephone number that can be called for information or answers to questions.
• Ask your family and friends if they would like to attend a meeting. You may be surprised at their positive response!

JUNIOR MEMBERSHIP COMMITTEE

• Why Did You Join the DAR?
  "I joined DAR because my mother-in-law wanted me to do so and I adored her. The more you do, the greater your love for DAR. You can make a difference. Let your Chapter Regent know what you are interested in. Volunteer and become an active part of your Chapter. Participate on the Chapter, State and National level whenever possible."
  Donna Raymond
  Corresponding Secretary General

"I joined DAR because I’m proud that my great grandfather, nine generations back, was a signer of the Declaration of Independence. The most positive thing I’ve encountered since joining DAR is the friendships made with women from all over the country. You don’t have to take on every committee, officer position, etc. Pick something that interests you and your family and become involved. The more you’re involved, the more you get out of DAR."
  Lorri Harris-Franklin
  Missouri State Society DAR

"God, Home and Country—ancestral research, patriotism and tradition, are all reasons why I joined the DAR. One of the most positive changes recently would have to be that of the date change for Continental Congress. As a teacher, the July date is one that I’m thrilled about, as it doesn’t come during the school year. Joining the DAR has been a most rewarding experience for me. My advice to Juniors would be for them to get involved and stay involved. Junior members are the future of our Society. It’s possible to be a working mom and a DAR member—I am presently in this situation myself! Look to your Chapter members for support—they will be of tremendous help.
  Perhaps your Chapter could arrange weekend or early evening meetings, which might be easier for you to attend."

DAR School Committee

• The new fundraising project for the DAR School Committee is the promotion of the “Care Bear” pin sales. These cute pins are sold for $25 and are available from your State Regent or State School Chairman. If your Chapter also wishes to use the “School Bus” banks as a fundraising tool, these are available through The DAR Store. Please be certain to designate “School Bear” or “School Bus” on your checks to ensure that your Chapter or State receives credit for these school contributions. At the end of the term of Millennium Administration, an award will be given to the state that raises the most money from the “School Bus” banks and “Care Bear” sales.

• Obtain your free copy of the newly revised DAR Schools booklet available from The DAR Store.

• Consider contributing $200.00 to the Friends of the DAR Schools. Donors may choose an individual school or divide the money among all schools. Your contribution entitles you to purchase a Friends of the DAR Schools pin from J.E. Caldwell to be worn on the official ribbon.

Volunteer Information Specialists Committee

- Madonnas of the Cyber Highway: Blazing the Trail for VIS

Long before the Volunteer Information Specialists Committee was organized, a group of DAR members volunteered their time on Prodigy, AOL and Compu-Serve genealogy message boards, answering questions about Revolutionary ancestors. These early pioneers, armed with the DAR Patriot Index: Centennial Edition, spent hundreds of hours helping people identify their patriot ancestors, placing them with Chapters around the country, and walking them through the application process.

It was not long before NSDAR realized how important Internet technology could be to the Society, and so the Volunteer Information Specialists Committee was organized. These early pioneers came under the umbrella of this committee and authorized query groups were formed. Twenty-five hours of answering queries earned the volunteer a VIS pin.

In the summer of 2001, with the addition of the DAR Patriot Index Online, it seemed only natural to add the Patriot Lookup Service to the National DAR Website. However, the addition of the service does not diminish our need to monitor and have a presence on the various genealogy message boards. Just as major corporations advertise themselves and have a presence in many different venues, our Patriot Lookup Volunteers need to be visible wherever a potential member might be looking for their patriot ancestor. An official subcommittee was created—Patriot Index Project, Internet Providers Site Service—with Glenda Thompson as the Vice Chairman. Glenda and her volunteers have answered hundreds of queries and introduced many women to DAR. I would like to take this opportunity to recognize and thank the dedicated members of this subcommittee.

174 Daughters of the American Revolution Newsletter
CONTEST

Spread the word about American Spirit and you could qualify for two free roundtrip airline tickets.

DAR is holding a contest to see which Chapter can best promote American Spirit. The Chapter bringing in the highest percentage of new subscriptions between November 1, 2001 and June 1, 2002 will win two roundtrip United Airlines tickets to anywhere in the continental United States or Puerto Rico. The winning Chapter will be announced at Continental Congress in July 2002. Then, the winning Chapter will draw for the tickets and one lucky member of that Chapter can pack her bags for a free getaway.

This contest is valid for NEW subscriptions only. Renewals that expired prior to July 1, 2001 are considered new and will count in the final percentage. Any subscriptions lapsing after the July 1, 2001 cutoff date are not eligible.

Celebrating American heritage, history, culture, women, family and education, American Spirit is an engaging and informative publication. Since its founding in the late 19th century, the official magazine of the Daughters of the American Revolution has a held a special place of honor in the homes of hundreds of thousands of DAR members as well as American patriots from all walks of life.

Let's promote this wonderful publication.

Every American home, school and library would enjoy American Spirit.

Your Chance to Speak Out

Pro and Con

I liked the National Defender very much. It is wise, I think, to include pro/con columnists.

Patricia Walton Shelby
Honorary President General

I agree with those who have expressed their concern relative to the National Defender printing views in opposition to our Society’s beliefs. It seems to me that this should not be done.

Marie Hirsh Yochim
Honorary President General

Please publish views from reliable conservative viewpoints which, of course, are pro-American, full of patriotism and support for our nation. We are consistently bombarded with leftist, socialistic, anti-American propaganda (disguised as news) and do not need it from our own publications. Our members are well informed, patriotic, and able to discuss issues from a non-partisan viewpoint. We do not need to be “politically correct”—we need truth.

Elizabeth Weideman
Wm. Tufic Chapter, Elkhart, IN

I am a moderately liberal Democrat. I didn’t realize that conservatives hold the market on patriotism. I for one am thrilled with the changes being made by President General Watkins. The enormous breath of fresh air that has rushed into this organization is nothing less than exhilarating. I thank President General Watkins from the bottom of my heart for appreciating and including all Daughters, not just the conservatives!

Paula Marie Woodward
Vice Regent, Ann Arundel Chapter, MD

Thank you for printing the article by Ben Cohen. How refreshing. We need opposing views. Keep up the good work. I am an American. I am very patriotic. I read all viewpoints and unlike [some], I am not a conservative. I am not a liberal. I am a Democrat and proud of it.

Violet K. Wolfe
Coytee Chapter, Greenback, TN

Protect The American Flag

Now is the time for our legislative bodies nationwide to pass an amendment to the Constitution to protect our Flag.

The American Flag is more than a symbol of liberty. It is our heart and soul. Its rippling folds, so gallant in the sky, are our lifeblood.

Crushed beneath the rubble of the toppled buildings of New York City are surely the remnants of flags alongside the bodies of our dead.

We have seen pictures of flags being burned on the steps of federal buildings, desecrated beyond belief by people who have no respect for it or the government it represents.

Let Old Glory fly above us in safety while our hearts offer prayers for the dead of America. It is our strength, and it shows our spirit. It is America. It is our refuge in the horror of war and in the joy of peace. Look at it and be proud to be an American citizen!

Ethel Mercer Joiner
Col. John McIntosh Chapter, Conyers, GA

Late Mailings

I am not receiving the National Defender in time to prepare for our meetings. Therefore, I am enclosing $4.00 for my own subscription.

Margaret Freeberg McNitt, National Defense Chairman

Corinna Rest-Fenner

DENVER CHAPTER, Denver, CO honors their cherished 75-year member, Corinna Rest-Fenner Fowler. Corinna joined DAR on February 8, 1927 as a member of the Peggy Steward Tea Party Chapter in Annapolis, MD. In 1968 she transferred her membership to Denver Chapter in Colorado. Born in Plainfield, New Jersey, Corinna married Bob Orr Mathews and raised two children, Robert and Portia Shirley. She was educated in Paris, New York and Maryland, receiving a BA from Goucher College in Baltimore, Maryland in 1924. As a faithful DAR Daughter, she has attended meetings and served for many years as Director to the Denver Chapter Board of Management. Corinna has dedicated her life to the service of others. She organized the first YWCA camp in Akron, Ohio, taught and promoted parliamentary procedures for Girl Reserve counselors. As Health Chairman of PTA, she organized the Social Hygiene Education program in Maryland State, educating others about the prevention of contagious disease. As a member of the National Association of Parliamentarians, she has educated others in parliamentary rules. Corinna's Revolutionary War ancestor is John Robert, a private in the South Carolina Rangers. Denver Chapter is proud to honor Corinna and her outstanding service to her community and DAR.

DRUCILLA PITTS CHAPTER, Pittsburg, TX took first place honors with a float entry in Pittsburg's annual ChickFest Parade held Saturday, September 16, 2001. Decorated with a patriotic theme, the float exhibited true American spirit for the event which took place just days after the attack on September 11. Riding on the float were the Chapter Regent dressed in colonial garb, and a member portraying Betsy Ross as she sewed our nation's first official flag. Completing the theme was one member's husband who donned a Revolutionary War patriot's uniform and carried an authentic gun from that era. Items and furniture representative of the colonial period were used to decorate the float along with a red, white and blue flag fabric. With a poster attached, the float announced the beginning of Constitution Day.

EDENTON TEA PARTY CHAPTER, Edenton, NC participated in a memorial service for Hugh Williamson, a former Edenton resident and one of the framers and signers of the United States Constitution. The Chowan County Board of Commissioners, together with the Chapter, commissioned a study to determine whether Dr. Williamson should be memorialized as one of three signers from North Carolina. On Constitution Day, September 17, 2001, the Chapter celebrated with a special ceremony on the Courthouse green. Speaking at the occasion were Mrs. Richard A. Boyd, North Carolina State Regent and Chief U.S. District Court Judge Terrence W. Boyle.

EEL RIVER VALLEY CHAPTER, Fortuna, CA hosted a vintage fashion show and tea on September 16, 2001. Chapter members dressed in historic period costume from the American Revolution, the colonial period, the Civil War and current times. Over 240 community members attended the event. After tea was served, Marsha Hunt, an actress who has appeared in many films and plays, spoke about the "Golden Days of Hollywood." She also answered questions regarding the blacklisting of artists during the McCarthy era and questions about how to help encourage a positive and responsible media in today's society. Following her talk, Lara Jabot's Vintage Fashions presented several beautiful and elegant fashions. The event concluded with the reading of a prayer by our Chapter Chaplain and with everyone in attendance singing "God Bless America."

FOND DU LAC CHAPTER, Fond du Lac, WI celebrated its 100th anniversary in September 2000 with a gala event. Guests enjoyed a vocal performance by Fond du Lac community theater member, Bud Caldwell, accompanied by Evelyn Carlson. Alice Draves, the Chapter Historian, read an outline of the Chapter's history. A group of 11 women gathered January 20, 1900 to form the Chapter, even though the Chapter was not officially recognized

until 1912. Later records were changed to reflect the existence of the Chapter beginning in 1900. Through the years, this Chapter has been an active part of DAR on the State and National levels. Chapter members who have held state and national offices include Martha Hayward who served as Wisconsin State Regent and later Registrar General and Eleanor Briggs, who served as State Corresponding Secretary and is still an active Chapter member. As part of the centennial celebrations, the Chapter rededicated the gravesites of the organizing Chapter Regents, Mrs. Virginia Tallmadge Foulkes and Mrs. Hattie Brown Sackett, in August. Additionally, Chapter member Barbara Pollei was awarded the Chairman's Award for her outstanding "Thoughts on Literacy" at the 109th Continental Congress by the Literary Chairman. She also received a National honorable mention in the NSDAR Outstanding Program contest. Marie Rosenfeldt, Chapter Constitution Week Chair, received recognition for the "Outstanding Constitution Week Report Award."

JONATHAN DAYTON CHAPTER, Dayton, OH lost a treasured member with Phyllis Brown Delaney's passing on April 30, 2001. Phyllis was a certified American Lineage Specialist. She was past President of the Ohio Genealogical Society, the Miami Valley Genealogical Society and the Montgomery County Genealogical Society and she served on numerous committees for each. Phyllis was the speaker at numerous Ohio and National Genealogical societies and many people benefited from her genealogical workshops and research on significant historical data. She was an author and published many genealogical works, including her favorite, Index to the Grave Records of Servicemen of the War of 1812 State of Ohio. Phyllis was appointed by the Governor to serve on the Ohio Bicentennial Commission and was a member of the National Genealogical Society, Daughters of the American Revolution, Daughters of the War of 1812 and the Society of Civil War Families of Ohio, holding numerous positions in each. Phyllis is survived by her husband, Carols Delaney, sons Kurt and Scott Miller, three grandchildren and three siblings.

MARY MCCOY BAINES CHAPTER, Plainview, TX registered with the USA 50th Anniversary of the Korean War Committee in Arlington, VA as an official commemoration partner. Participating with the City of Plainview, the Chamber of Commerce and the Mayor Lloyd Woods' annual Veteran's Day celebration held November 12, 2001 at the Fair Theater in Plainview, the Chapter honored over 60 Korean War veterans invited to the ceremony and gave them commemorative pins. The keynote speaker was Col. Charlie Thomas, (USAF Ret.). He completed his Air Force career as wing commander at Kirtland Airforce Base in Albuquerque and he is currently a senior manager at Sandia National Laboratories. Col. Thomas was attending meetings in the Pentagon the morning of September 11. Following the ceremony, a tree and NSDAR memorial marker were dedicated at the Veteran's Memorial Circle in Regional Park.

REDWOOD FOREST CHAPTER, Eureka, CA dedicated an historical marker denoting the first "Free Library" in California on Saturday, October 27, 2001. The first free public library in California opened in Eureka in 1878. Since the original building no longer stands, the plaque was placed on the Morris Graves Museum of Art, which was built originally as the Carnegie Library in 1901. Col. Thomas H. Monroe, Jr., (USA Ret.) performed the unveiling. Monroe is the grandson of A.J. Monroe, an early Humboldt County Pioneer who served on the first board of the free Eureka library. Monroe is a member of SAR and the father of the current Redwood Forest Chapter Regent, Catherine Mace. A reception followed the unveiling. Attendees were requested to bring a children's book for donation to one of the DAR

sponsored schools or to make a monetary donation to the Humboldt Literacy Foundation.

THOMAS PERSON CHAPTER, Roxboro, NC sponsored a United States Flag retirement ceremony on Flag Day, June 16, 2001, which was attended by approximately 100 people. The event was held on the grounds of the Person County Museum of History. It was a community event sponsored by the museum staff and local scout troops. Local radio, television and newspapers covered the event. The retired flag had flown over the Capitol in Washington, D.C. before it was given to the Museum of History. It had flown at the museum for several years before its retirement. The correct method of cutting and burning the flag was demonstrated by nearly 20 girl scouts, boy scouts and DAR members. The scouts made a brief statement before each flag piece was placed in the ceremonial fire. The ashes were then buried on museum grounds.

WILTWYCK CHAPTER, Kingston, NY—After a 65-year residency in Wiltwyck Chapter House, Geraldine Howard has retired to a health-related facility. As our House Resident, she was like a mother to us all, caring for our house and all the members. Gerry, who lived in our house until November 2000, was our very faithful and dedicated House Resident. She is happy with her new home, though we are finding it hard getting used to worrying about the heat, the electricity, the water, etc. We realize more and more every day just how much Gerry did for us. But it has also made us realize that this is the opportunity to do some preservation work on this beautiful stone, pre-1692 house. We have had the floors stripped, sanded, sealed and waxed and they are beautiful. Gerry's apartment has been painted and one room will be dedicated as a "museum room" to Gerry. Another may be dedicated as a C.A.R. Museum room. We are very proud of our preservation project and would like to invite everyone to come visit. Please contact me at esjacquel@juno.com.

Segraves, State Regent of Alabama, Mrs. Jerry Calvin, State Regent of California, Mrs. Robert J. Garner, State Regent of Michigan and Mrs. Frank B. Cardinal, State Regent of Mexico. Saturday night’s meeting and dinner included the program, “America the Beautiful.” Events on Sunday included a well-attended genealogy workshop, the State Chairmen’s Association luncheon and the Cameo Club meeting. State Chaplain, Mrs. John Rayburn, conducted a beautiful memorial service. The banquet is the highlight of any conference, and the Indiana banquet featured a performance by the Pride of Indy, the men’s barbershop chorus of Indianapolis. The DAR Medal of Honor was presented to Mariellen Neudeck of Lafayette, Indiana. A DAR School luncheon was held on Monday and Indiana Chapters were presented with special certificates. A silent auction was held to benefit the six DAR schools. The conference concluded with the singing of “God Bless America.”

MISSOURI STATE SOCIETY DAR
“Let’s Give Missouri DAR Something to Crow About,” State Regent Carole Temple Farmer’s mini theme, set an enthusiastic tone for the 102nd Missouri State Conference, held March 23–25, 2001 in Columbia. Special guests included Linda Tinker Watkins, First Vice President General; Ellen Lockwood Powley, Vice President General and the State Regents of Kansas and Oregon. Missouri Daughters were entertained by DAR member and historical re-enactor Patsy Johnson, who performed vignettes on Martha Washington, a Minute Man, Ethan Allen and Benjamin Franklin. The National Defense Lunch- eon honored John Playter, a Bataan Death March survivor. Afternoon seminars included, “How to Preserve Your Memories,” “Where Do Your DAR Dollars Go?” “Pin Mad: The How, When, Where to Wear Your Pins,” and “C.A.R./SAR: United We Stand.” Over 200 Missouri Daughters attended these seminars. On opening night, Mrs. Watkins spoke about “The Future of DAR.” The Saturday business session brought reports from Officers and Chairmen and the announcement of the Outstanding Chapter of the Year (Sarah Barton Murphy) and Outstanding Page Award (Lori Harris Franklin, Charity Stille Langstaff Chapter). Missouri Daughters were delighted to vote and endorse State Regent Carole Temple Farmer to stand for election to the office of Vice President General at the 111th Continental Congress. Other presentations included the Lois Turner Allen Award, a fully endowed award worth $2,000 given annually to the Missouri Teacher of the Year, Outstanding Teacher of American History, DAR Good Citizens, MSSDAR Scholarships, Roberta Capps American History and Wagy Scholarships for education.

OKLAHOMA STATE SOCIETY DAR
Oklahoma Daughters experienced a surprise at their August State Workshop. Each State Chairman was assigned an eight-foot exhibit table to display their “Committee wares.” Chapter Regents and members could visit each table, ask questions, learn about Committee possibilities and pick up handouts and report forms to help with their committee work. The State Regents Project introduced the receipt of a $10,000 grant kicking off the Freedom Fighters Microfilm Project, which will help with the beginning purchase of 1,147 rolls of National Archives Microfilm Series M881 (Compiled Service Records of Soldiers Who Served in the American Army During the Revolutionary War). Four hundred rolls were purchased at $34.00 per roll and matched initially in this ongoing project. A microfilm cabinet was purchased and the collection will
be housed in the newly constructed Oklahoma History Museum. Our special guests included Beth Bugbee, DAR Magazine, National Chairman; Susan Tillman, VIS National Chairman and Carol Wilson, American Indians National Chairman.

OREGON STATE SOCIETY DAR

The 87th State Conference of the Oregon State Society was held March 29—April 1, 2001 in Portland, Oregon. State Regent Janet Pierce presided. Chairman Jan Sparks and her committee used the theme “Celebrating the Centuries.” Honored guests included Georgane Ferguson Love, President General; Ellen Lockwood Powley, Honorary Vice President General and Carol Ward Wilson, Vice President General. Preliminary events included a State Board of Management meeting, a tour of Chemawa Indian School, a State Officers’ Club lunch and a genealogy workshop. The theme for opening night was “1600s: The Mayflower Era,” with Crater Lake and Oregon Trail Chapters providing the wonderful decorations. Pegi Ivanveich gave an inspiring speech, “Let’s Talk Heart to Heart About Membership” and after dinner, Oregon Daughters and guests relaxed at a pajama party. During the business meetings, members got to hear National, State and Chapter officers report on the hard work and achievements of Oregon Daughters. Regent Janet Pierce was enthusiastically endorsed as a candidate for Vice President General. Portland Chapter arranged an elegant afternoon tea in honor of Mrs. Love. The gala banquet was made special by the splendidly costumed ladies who dressed according to the evening’s theme, “1700s: The American Revolution Era.” The highlight of the evening was Mrs. Love’s delightful speech. Mt. St. Helens, Wahkenna and Multnomah Chapters sponsored an Awards luncheon honoring the Oregon’s Outstanding Teacher of American History, the American History Essay Contest and Christopher Columbus Essay Contest winners, the Junior American Citizens and the Good Citizen Essay Contest winners. Saturday’s dinner was themed “1800s: Oregon Trail.” A Farewell Brunch concluded this outstanding conference.

Siskiyou County Working Ranch

This is a view of the home and outbuildings, hay and pasture lands of an “up and going” 152.5 acre cattle ranch along Shasta River with 14,162 foot high snow-capped Mt. Shasta in the background. The ranch is 10 air miles north of Mt. Shasta, in Siskiyou Co., California.

This ranch has been owned and operated by the same family for over 100 years. A DAR member, her husband and sons operate it now. They are the third and fourth generations of the family.

Siskiyou County has an area of 6,313 square miles, which comes to a reported 4,038 million acres. Of this acreage, crop land takes up 210,000 acres of which 130,000 are irrigated. If the Coho Salmon and Sucker Fish are enlisted as “endangered”, as ESA wishes, this will dry up all irrigation and make this county a desert as has happened in the Klamath Basin. Coho Salmon are not native to Siskiyou County and Klamath River.

The California State Society Headquarters in Glendora, pictured here, is a craftsman style house built during the architectural "Arts and Crafts" movement in 1909. The house has a separate two room carriage house plus a kitchen and a bath which is now a residence for the caretakers. The original owner, Mr. Hamlin was an orange grower and belonged to the Orange Grower's Association that supplied the White House with their oranges and lemons from about 1900 to 1930.

Northern California Dairy Industry

Northern California Dairy Industry Triple Creek Dairy cows graze near the historic (1936) Zanes Road covered bridge in rural Humboldt County. It is the oldest original covered bridge in Humboldt County, was built by the WPA, designated an historic landmark in the 1970's.

The earliest dairy stock came overland, in herds with beef cattle or with individual settlers, from Tehama County, from Sacramento Valley, and from Oregon. The earliest ranches began in 1851, but the County Assessor did not publish a report until 1854, after the formation of Humboldt County. At that time he said there were "412 milch" cows. By July 1855 a Union (later Arcata) merchant offered 3000 pounds of "Premium Eel River Butter" and an unspecified amount of Humboldt cheese.

The early dairies and creameries were not the large businesses we see now but as they were shipping the products out of the County by 1854, it was certainly a commercial industry by then. Eventually they joined into cooperatives and continue to the present day to make up an important part of the California Dairy Industry.

By 1900, Contra Costa County grew a large variety of fruit and nut crops such as almonds, grapes, pears, apricots, prunes, peaches, olives, and oranges. Between 1940 and 1990, more than two thirds of the farmland was lost to the development of cities. Acreage of peaches, for example, fell from 1214 acres in 1939 to 173 acres in 2000. With the growth of Silicon Valley and other Bay Area Industries in the 1980's and 1990's, the pressure to develop farmland into houses and infrastructure became, and counties to be critical. As we enter the 21st Century, there is a realization that our community will change radically if the last of our farmland is lost to development. It is hoped that measures to protect farmland can help ensure a connection to our past, when farmland was our only way of life; and thus preserve the viability of agriculture in Contra Costa County.

The best raisins come from California! Fresno County, in the heart of the San Joaquin valley, had a grape crop in the year 2000 that was ranked number one and had a dollar value of $642,385,000. On a sunny September day there are approximately 170,817 acres of raisins drying in the hot sun of Fresno County. When ripe, grapes are hand cut and laid out on paper to dry in the 100+ degree temperatures in the area. After the drying process is complete, the grapes are wrapped in bundles for easy handling as they are loaded up and sent to processing plants.

Robert I. Knapp's Side Hill Plow

Considered one of the five most important agricultural inventions of the nineteenth century, Knapp’s reversible steel-bladed plow was patented in 1875 and 1882. An original plow is displayed in the Smithsonian Institution in Washington, D.C. The diagrams of the plow are those filed with the US Patent Office.

Local farmers tilling the coastal hills near Half Moon Bay, CA immediately recognized the ingenious nature of Knapp’s plow; they could plow closer to trees and along embankments, as well as on hillsides in vineyards, orchards, or wherever they wanted to throw their furrows all one way. By thrusting the soil to one side, the plow also prevented erosion—though environmental and conservation concerns were not Knapp’s priority. Used for other purposes, such as road building and railroad embankment construction, Knapp’s plow was deemed the most perfect grading plow on the market.

Flower Flag, Lompoc Valley

Flowers for the cut and seed market are a large part of the Central Coast’s agricultural industry. Although grown from Paso Robles in the north to Ventura in the South, Lompoc Valley, known as the “Flower Valley” midway in this coastal region is the prime producer for this market. Started in the early 1900’s when mustard was harvested for seed and progressing to exporting fragrant sweet peas to England, today its many varieties make it one of the leading flower producers in the world. During World War II, and also in ’42, ’48 and ’52, 20 acres were planted in red, white and blue larkspur depicting the American Flag to honor the men and women in uniform.

“Saluting to the Troops”, one of the Lompoc’s numerous murals, portrays this event. Master artist: Art Mortimer

Harvesting Barley in Simi Valley

This historical photograph was taken by John Sparhawk Appleton around the turn of the 1900's. Appleton bought 160 acres of uncultivated land on the south side of Simi Valley. He cleared the raw land of sage brush and cactus and began dry land farming. He built a barn for his team of horses that served as living quarters until he could erect a four-room house with the help of his neighbors and local architect and builder Will Richardson. He raised barley and later planted apricots and walnut trees and raised bees for honey production.

Strawberries have a history that goes back over 2,200 years. Strawberries grew wild in Italy as long ago as 234 B.C. and were discovered in Virginia by the first Europeans when their ships landed there in 1588.

Early Massachusetts settlers enjoyed eating strawberries grown by local American Indians who cultivated strawberries as early as 1643.

Strawberries have been grown in California since the early 1900's. Today, over 25,000 acres of strawberries are planted each year in California and the state produces over 80% of the strawberries grown in the United States.

Citrus Groves, Ranches and Farms

District X encompasses regions of the San Gabriel Valley, La Crescenta and Whittier. Agriculture was an important industry in these regions until the 1980's when the housing developments overtook much of the citrus groves, ranches and farms. This collage of pictures gives a portrait of some of these endeavors.

Clockwise the pictures show pumpkins, still a common sight in the area, vegetable crops, dairy cattle, cornfield, and an orange grove showing the wind machine, which prevented frost in the orchards.

At the center is an orange crate label from the Glendora Citrus Association, one of the large packing houses in the area.

Redlands-Big Bear Dam

After a bitter fight and despite heavy rain, 284 Redlanders and Lugonians “slogged to the polls” on November 26, 1888 and voted to incorporate. Editor Scipio Craig, requested in his Citrograph’s extra to “Rally at State and Orange Streets tonight.” Everyone came with “shotguns, horns, and whistles.”

Many assorted crops had been started “on the red soil of Redlands proper.” Mrs. Van Leuven had 45 seedlings “set out on the old homestead in 1857.” During the 60’s and 70’s the surrounding communities had irrigated their land with water from the Zanza and Santa Ana streams.

Edward G. Judson, (1st mayor) and an engineer, Frank E. Brown, learned that the Santa Ana, “largest stream in So. CA, issues from the mountains.” First, they filed for many acres, acquired more government land, negotiated for 320 acres of railroad land, and bought privately-owned parcels.

At the dedication of the A.K. Smiley Public Library in 1898, Mr. Judson stated “orange groves were in their mind’s eye. But, a water system costs money, so lots were laid out for a town.” Poverty forced young Brown to build a “startlingly light dam, depending upon water pressure to lock its arc in place.” Construction started in June and ended, Dec. 1884. No changes were made until 1911. Then, a higher, stronger multiple-arch dam was built below it. “The great work was the direct outgrowth of the dryness of Redlands; in fact Redlands was the mother of Bear Valley Reservoir.”

Sugar Beet Wagon

When Orange County seceded from Los Angeles County in 1889, the 28,000 acre Rancho Los Alamitos became part of both counties. In 1896, even before this area became known as a “field” of oil wells, William Clark, former Senator from Montana, purchased 8,139 acres of Rancho Los Alamitos for raising sugar beets. He guaranteed to buy all the sugar beets that could be raised in the surrounding 70 square miles of territory during the next five years. Clark planned the township of Los Alamitos, building the first sugar refinery there in Southern California. Delivery of beets to the sugar factory was made in wagons as shown and rail cars.

For 28 years, until nematodes and soil depletion destroyed them, sugar beet crops and sugar manufacture were the “dawn of prosperity” for this south Los Angeles County and west Orange County area.

California Gold

California ... Producing the majority of the California avocado crop, San Diego County has become known as the nation's "Avocado Capital." Early Americans called the avocado an "Alligator Pear," which described the fruit's texture and was easier to pronounce than the Spanish word "aquacate." The prosperous California avocado industry began in the late 1920s with the discovery of the Haas avocado, distinctive for its rich flavor and rough, pebbly skin. While the Haas is the most popular California variety, others include Fuente, Reed, Bacon, Pinkerton, Zutano, Given and Anaheim. California is the number one producer of avocados and home to 90 percent of the nation's crop. Within the agricultural community of San Diego County, the avocado has earned its title of "California Gold."

South Carolina's Musgrove Mill State Historic Site
South Carolina Cradle of Democracy Project

The Cradle of Democracy project is a statewide effort that brings together many partners for one cause: the protection of the resources for interpretation of South Carolina's role in the American Revolution. This collaborative effort is creating a Revolutionary War heritage park without borders. The centerpiece of the park will be the new Musgrove Mill State Historic Site where the collective sacrifices and efforts of all the South Carolina Revolutionary War patriots will be showcased. One of the exhibits will showcase the untold story, the contribution of the women of South Carolina that is too often overlooked.

Clara's My Name

A Novel by Dorothy Richardson

Clara, a resident of the Gateway Manor Retirement Home, thinks her name is a misnomer, for surely her life has been the opposite of illustrious or bright. Yet thanks to friends—pun-loving and poetry-quoting Amelia in particular—Clara's light doesn't stay hidden under a bushel. A lively mystery shimmers on the surface: who knocks late on Clara's door? Another night visitor follows, foreshadowed in a celebrated Whitman poem.

For anyone who loves a little mystery, a little romance.

Dear Daughters,

Show your true colors—red, white and blue! Make a statement that reflects the patriotism and pride you feel as a member of NSDAR by supporting the DAR magazine. Spread the American Spirit by giving gift subscriptions to family, friends, libraries, and schools; display American Spirit in clinic waiting rooms and business reception areas. Award subscriptions to all State and Chapter DAR contest winners. Communicate to everyone you know that our beautiful American Spirit magazine is now displayed for the world to see, on all the coffee tables in the White House.

Catch the American Spirit and contribute $100.00 to the DAR Magazine Endowment Fund; you will also want to purchase the endowment fund pin from J.E. Caldwell. The Donations and Contributions for Special Committees and Funds form can be downloaded from the DAR Members Site-Forms: Treasurer General form TG-1003.

We welcome your articles! If you have been thinking about submitting an article to American Spirit magazine, these guidelines should be followed: feature stories—1800 to 1900 words; short features—1200 to 1300; sidebars—200; double-spaced on disk in a Word document file; sources not to exceed 200 words. Artwork must be high resolution (1200 dpi). Articles submitted to Daughters newsletter must also be double-spaced on disk in a Word document file or sent as an e-mail attachment; photos should be high resolution (jpg, eps or tiff files). NSDAR reserves the right to accept, reject and edit content of copy. All articles should be mailed to the DAR Magazine Office.

The DAR Magazine Committee has several contests now in progress. The chapter with the highest percentage of new subscriptions between 1 November 2001 and 1 June 2002 will receive two roundtrip United Airlines tickets to anywhere in the continental United States or Puerto Rico at the 2002 Continental Congress. The chapter with the greatest percentage of magazine subscriptions for the entire year is presented with the “Traveling Trophy” annually. States with 100% participation in advertising also are recognized with certificates annually. The “Ad Excellence Award” recognizes one ad in each of the six all subscriber issues of the Daughters newsletter that makes the best point of historical, patriotic or educational interest.

Easter is almost here. This year plan patriotic Easter baskets for your children and grandchildren by placing a small American flag in each basket and for older children, include a gift subscription to American Spirit so they can learn about children in our DAR schools, American history, and much more. It is up to each of us to stimulate interest in our American heritage among the next generation; together, let us share what makes our country strong, our American Spirit.
